LETTER OF SUBMITTAL.

U. S. DEPARTMENT OF AGRICULTURE,
DIVISION OF CHEMISTRY,

Washington, D. C., June 14, 1893.

SIR: I have the honor to submit herewith a complete copy of all pharmaceutical laws now in force in the several States and Territories and the District of Columbia.

There are no laws on this subject in the following States and Territories: Idaho, Indiana, Montana, Nevada, Arizona, and the Indian Territory. The Maryland law relates only to the city of Baltimore.

The thanks of the Department are due to the officers of the various State pharmaceutical associations for prompt compliance with requests for information, and it may not be out of place to add that these gentlemen, comprising a most important element of our population, almost unanimously evince great interest in the work undertaken by the Department in investigating adulteration, and seem anxious to see uniform laws enacted to prevent such practices.

Respectfully,

ALEX. J. WEDDERBURN,
Special Agent.

Dr. H. W. WILEY,
Chemist.

ALABAMA PHARMACY LAW.

AN ACT to regulate the practice of pharmacy and the sale of poisons in cities and towns of more than 900 inhabitants in the State of Alabama.

SEC. 1. *Be it enacted by the General Assembly of Alabama*, That from and after the passage of this act it shall be unlawful for any person not a registered pharmacist, within the meaning of this act, to conduct any pharmacy, drug store, apothecary shop, or store located in any village, town, or city in the State of Alabama of more than 900 inhabitants, or within two miles of any incorporated city or town of more than 900 inhabitants, for the purpose of retailing, compounding, or dispensing medicines or poisons for medical use, except as hereinafter provided.

SEC. 2. *Be it further enacted*, That it shall be unlawful for the proprietor of any store or pharmacy in any village, town, or city in the State of Alabama of more than 900 inhabitants, or within two miles of any incorporated city or town of more than 900 inhabitants, to allow any person except a registered pharmacist to compound or dispense the prescriptions of physicians, or to retail or dispense poisons for medical use, except as an aid to and under the supervision of a registered pharmacist. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor, and on conviction shall be liable to a fine of not less than \$25 nor more than \$100 for each and every offense.

SEC. 3. *Be it further enacted*, That the governor shall appoint three persons from among the most prominent pharmacists in the State, all of whom shall have been residents of the State for five years, and at least five years' practical experience in their profession, who shall be known and styled "Board of Pharmacy for the State of Alabama," one of whom shall hold his office for one year, one for two years, and one for three years, and each until his successor shall be appointed and qualified; and each year thereafter another commissioner shall be so appointed for three years, and until a successor is appointed and qualified. If a vacancy occur in said board, another commissioner shall be appointed as aforesaid to fill the unexpired term thereof. Said board shall have power to make by-laws and all necessary regulations, and create auxiliary boards, if necessary, for the proper fulfillment of their duties under this act without expense to the State.

SEC. 4. *Be it further enacted*, That the board of pharmacy shall register in a suitable book the names and places of residence of all persons to whom they issue certificates, and date thereof. It shall be the duty of said board of pharmacy to register, without examination, as registered pharmacists, all pharmacists and druggists who are engaged in business in the State of Alabama, at the passage of this act, as owners or principals of stores or pharmacies in any village, town, or city of

more than 900 inhabitants, for selling at retail, compounding or dispensing drugs, medicines, or chemicals for medical uses, or compounding or dispensing physicians' prescriptions, and all assistant pharmacists eighteen years of age engaged in said stores or pharmacies in any village, town, or city of more than 900 inhabitants in the State of Alabama, at the passage of this act, and who have been engaged as such in some store or pharmacy where physicians' prescriptions were compounded and dispensed: *Provided, however,* That in case of failure or neglect on the part of any person or persons to apply for registration within sixty days after they shall have been notified by said board of pharmacy for the State of Alabama, they shall undergo an examination as is provided for in section five of this act.

SEC. 5. *Be it further enacted,* That the said board of pharmacy shall, upon application, and at such time and place and in such manner as they may determine, either by a schedule of questions to be answered and subscribed to under oath, or orally, examine each and every person who shall desire to conduct the business of selling at retail, compounding or dispensing drugs, medicines, or chemicals for medicinal use, or compounding or dispensing physicians' prescriptions as pharmacists, and if a majority of said board shall be satisfied that said person is competent and fully qualified to conduct said business of compounding or dispensing drugs, medicines or chemicals for medicinal use, or to compound or dispense physicians' prescriptions, they shall enter the name of such person as a registered pharmacist in a book provided for in section four of this act; and that all graduates of colleges of pharmacy that require a practical experience in pharmacy of not less than four years before granting a diploma shall be entitled to have their names registered by said board without examination: *Provided, however,* That this act shall not be so construed as to prevent any physician who is authorized to practice medicine or surgery under the laws of this State from registering as a pharmacist or druggist, without examination: *Provided,* That any person or persons, not a pharmacist or druggist, may open and conduct such store if he or they keep constantly in their employ a registered pharmacist or druggist; but shall not himself or themselves sell or dispense drugs or medicines except proprietary and patent medicines in original packages.

SEC. 6. *Be it further enacted,* That the board of pharmacy shall be entitled to demand and receive of each person whom they register, and furnish a certificate as a registered pharmacist without examination, the sum of \$2; and for each and every person that they examine orally, or whose answers to a schedule of questions are returned, subscribed to under oath, the sum of \$3, which shall be in full for all services; and in case of examination of said person shall prove defective and unsatisfactory, and his name not to be registered, he shall be permitted to present himself for examination within any period not exceeding twelve months thereafter, and no charge shall be made for such examination.

SEC. 7. *Be it further enacted,* That every registered pharmacist, apothecary, and owner of any store shall be held responsible for the quality of all drugs, chemicals, or medicines he may sell or dispense, with the exception of those sold in original packages of the manufacturer and also those known as proprietary; and should he knowingly intermingle and fraudulently adulterate or cause to be adulterated such drugs, chemicals, or medical preparations, he shall be deemed guilty of a misdemeanor, and upon conviction thereof be liable to a penalty not exceeding \$100, and in addition thereto his name shall be stricken from the register.

SEC. 8. *Be it further enacted,* That it shall be unlawful for any person, from and after the passage of this act, to retail any poison enumerated below: Arsenic and its preparations, corrosive sublimate, white and red precipitate, beniodide of mercury, cyanide of potassium, hydrocyanic acid, strychnine, and all poisonous vegetable alkaloids and their salts, and the essential oil of almonds; opium and its preparations, except paregoric and other preparations of opium containing less than two grains to the ounce; aconite, belladonna, colchicum, conium, nux vomica, henbane, savin, ergot, cotton root, cantharides, creosote, veratrum, digitalis, and their pharmaceutical preparations; croton oil, chloroform, chloral hydrate, sulphate of zinc,

Nor shall it be lawful for any person to deliver or sell any poisons enumerated above unless, upon due inquiry, it be found that the purchaser is aware of its poisonous character and represents that it is to be used for a legitimate purpose. The provisions of this section shall not apply to the dispensing of poisons in not unusual quantities or doses upon the prescription of practitioners of medicine. Any violation of this section shall make the principal of said store liable to a fine of not less than \$10 or more than \$100, *Provided, however,* That this section shall not apply to manufacturers making and selling at wholesale any of the above poisons, and provided that each box, vessel, or paper in which said poison is contained shall be labeled with the name of the article, the word poison, and the name and place of business of the seller.

SEC. 10. *Be it further enacted,* That any person who shall procure or attempt to procure registration for himself or for another under this act, by making or causing to be made false representations, shall be deemed guilty of a misdemeanor, and shall, upon conviction thereof, be liable to a penalty of not less than \$25 nor more than \$100, and the name of the person so falsely registered shall be stricken from the register. Any person not a registered pharmacist as provided for in this act who shall conduct such a store, pharmacy, or place for retailing, compounding, or dispensing drugs, medicines, or chemicals, for medical use, or for compounding or dispensing physicians' prescriptions, or who shall take, use, or exhibit the title of registered pharmacist, shall be guilty of a misdemeanor, and upon conviction thereof shall be liable to a penalty of not less than \$100.

SEC. 11. This act shall not apply to physicians putting up their own prescriptions.

SEC. 12. *Be it further enacted,* That it shall be the duty of every registered pharmacist to conspicuously post his certificate of registration in his place of business. Any person who shall fail to comply with all the provisions of this section shall be liable to a fine of \$5 for each calendar month during which he is delinquent.

SEC. 13. The sum of \$500 per year, or as much thereof as may be found necessary, is hereby appropriated, out of the money so received for license, for the expense of said board of pharmacy. ARKANSAS.

THE ARKANSAS PHARMACY LAW.

A BILL for an act to be entitled an act to establish the Arkansas State Board of Pharmacy, and to prescribe the powers and duties of said board, and to regulate the compounding and vending of medicines, drugs, and poisons in the State of Arkansas, and to provide a penalty for the infringement of the act.

PREAMBLE.

Whereas in all civilized countries it has been found necessary to regulate the traffic in medicines and poisons, and to provide by law for the regulation of the delicate and responsible business of compounding and dispensing the powerful agents used in medicines ; and

Whereas the safety and welfare of the public are endangered by the sale of poisons by unqualified and ignorant persons ; and

Whereas the power of physicians to overcome disease depends greatly upon their ability to procure good, unadulterated drugs and skillfully prepared medicines ; and

Whereas the sophistication and adulteration of drugs and medicines is a specious fraud which should be prevented and suitably punished : Therefore,

Be it enacted by the General Assembly of the State of Arkansas : SEC. 1. That from and after the passage of this act it shall be unlawful for any person not a registered pharmacist, within the meaning of this act, to conduct any drug store, pharmacy or apothecary shop, or store for the purpose of retailing, compounding, or dispensing medicines in any city or incorporated town in the State of Arkansas, except as hereinafter provided, and that it shall be unlawful for the proprietor of such store or pharmacy to allow any person other than a registered pharmacist to compound or dispense the prescriptions of physicians, except as an aid to and under the supervision of a registered pharmacist. Any person violating the provisions of this section shall be deemed guilty of a misdemeanor, and, on conviction thereof, shall be liable to a fine of not less than five or more than one hundred dollars.

SEC. 2. That within sixty days after the passage of this act the governor shall appoint five experienced pharmacists, who shall have been actively engaged in the drug business for the last five years immediately preceding their appointment, who shall constitute the Arkansas State Board of Pharmacy, one of whom shall hold his office for one year, one for two years, one for three years, one for four years, and one for five years, and each until his successor shall have been appointed and qualified, which terms shall be decided by lot at the time of organization. And annually thereafter the governor shall appoint one member of said board, with qualifications as above set forth, who shall hold his office for five years and until his successor is appointed and qualified. In case of a vacancy from death or other cause, the governor shall appoint a successor, with qualifications as above set forth.

SEC. 3. That before entering upon the duties of said office, the members of the said board shall take the oath prescribed by the constitution of the State for State officers, and shall file the same in the office of the secretary of State, who shall thereupon issue to each of the said examiners a certificate of appointment.

SEC. 4. That immediately after the appointment and qualification of the board they shall meet and organize as a State board of pharmacy by electing from their own number a president and secretary. The board may adopt such by-laws, rules, and regulations as they may deem necessary to carry into execution the provisions of this act without expense to the State. A majority of the board shall be a quorum for the transaction of any business.

SEC. 5. The board of pharmacy shall hold not less than two stated regular meetings per annum for the examination of candidates, one of which may be held at the time and place of the annual meeting of the Arkansas Association of Pharmacists, and the other meeting shall be held at such time and place as the board may determine. Other meetings of the board may also be held whenever and wherever a

quorum of the board, including the secretary, is present. In the interim of the sessions of the board, and upon satisfactory evidence of the fitness of the applicant, any member of the board may, in his discretion, issue a temporary certificate, which shall authorize and empower the holder to conduct a drug store or pharmacy, as set forth in section 1 of this act. Such temporary certificate shall terminate and expire at the date of the next succeeding regular meeting of the board after the granting thereof. A fee of \$2 shall be demanded for this temporary certificate, which shall be part payment of the regular examination fee as hereinafter set forth.

SEC. 6. The board of pharmacy shall register in a suitable book the names and places of residence of all persons to whom they issue certificates, and the dates thereof. Upon written application, accompanied by such reasonable evidence as the board may require, it shall be the duty of said board of pharmacy to register, without examination, as registered pharmacists, all druggists and pharmacists who are engaged in the business in any city or incorporated town in the State of Arkansas at the passage of this act, either as owners, managers, or clerks of any drug store, pharmacy, or apothecary shop: *Provided*, That no druggist's clerk shall be so registered unless he be 18 years of age and has been engaged for the space of three years next preceding the passage of this act in some drug store or pharmacy where physicians' prescriptions were compounded.

In case of the failure or neglect of any person to apply for registration within sixty days after the organization of the board of pharmacy, and publication thereof in the weekly paper published in the State of Arkansas whose circulation is the largest of all the papers so published, such person shall have forfeited the privilege of being registered as a registered pharmacist as set forth in this section.

SEC. 7. The State board of pharmacy shall, upon application, and at such time and place, in such manner as they may determine, examine every person who shall desire to conduct the business described in section 1 of this act in any city or incorporated town in the State of Arkansas; and if a majority of the members present at the meeting of the board shall be satisfied that said person is competent and fully qualified to conduct the said business of compounding and dispensing drugs, medicines, or chemicals for medical use, the board shall enter the name of such person as a registered pharmacist in the book provided for in section 6 of this act: *Provided*, That all graduates in pharmacy of schools or colleges of pharmacy that require three years' practical experience before granting diplomas shall be entitled to have their names registered as registered pharmacists by the board of pharmacy without examination. The board of pharmacy shall issue an appropriate certificate to each person registered, which certificate must be conspicuously displayed in every store described in this act.

SEC. 8. The board of pharmacy shall be entitled to demand and receive from each person whom they register as a registered pharmacist, without examination, the sum of \$3, and from each and every person whom they examine the sum of \$6, which shall be in full for the registration and the certificate. In case the examination of said person proves defective and unsatisfactory to the board, and he being declined registration, he shall have the privilege of reëxamination within twelve months thereafter, without any fee being charged him.

SEC. 9. Any registered pharmacist who shall knowingly, intentionally, and fraudulently adulterate, or cause to be adulterated, any drugs, chemicals, or medical preparations, and offer such adulterations for sale, shall be deemed guilty of a misdemeanor, and, upon conviction therefor, his license shall thereby be revoked, and, in addition thereto, he shall be liable to a penalty of not less than \$5 nor more than \$100.

SEC. 10. If any person shall procure registration as a registered pharmacist under this act by making, or causing to be made, false representations, the registration and certificate thus fraudulently obtained may, in the discretion of the board, be revoked, and the name of the person so registered stricken from the register: *Pro-*

vided, That the person charged with the fraud be first allowed a hearing by the board.

SEC. 11. Any person not a registered pharmacist, as provided in this act, who shall conduct a drug store or pharmacy, or place for compounding or dispensing drugs, medicines, or chemicals for medicinal use, in any city or incorporated town in the State of Arkansas, or who shall take, use, or exhibit the title of registered pharmacist without the same has been regularly conferred on him, as set forth in sections 6 and 7 of this act, shall be deemed guilty of a misdemeanor, and upon conviction therefor [thereof] be liable to a penalty of not less than \$5 nor more than \$100: *Provided*, That any person or persons, not a registered pharmacist, may own or conduct such a store, if he or they keep constantly in their store a registered pharmacist: *Provided further*, That this act shall not apply to physicians putting up their own prescriptions, nor to the sale of those articles commonly known as "grocers' drugs," nor to the sale of patent or proprietary medicines or non-secret medicines.

SEC. 12. If any registered pharmacist shall be convicted by a court of competent jurisdiction, in this State, of the illegal sale or handling of intoxicating liquors his certificate as registered pharmacist shall thereupon become null and void, and his license or authority to engage in the business, as set forth in section 1 of this act, shall be thereupon revoked.

SEC. 13. If any registered pharmacist shall go out of the drug business and remain out for a period of twelve months, his certificate as a registered pharmacist shall thereupon expire.

SEC. 14. All suits for the recovery of the several penalties prescribed in this act shall be prosecuted in the name of the State of Arkansas, in any court having jurisdiction, and it shall be the duty of the prosecuting attorney of the county where such offense is committed to prosecute all persons violating the provisions of this act upon proper complaint being made. All penalties collected under the provisions of this act shall inure to the public-school fund of the school district in which the offense was committed.

SEC. 15. Nothing in this act shall be construed to repeal or in any wise interfere with the collection of the "privilege taxes" now levied, for State, county, or city purposes, on the business of hawking, peddling, or street vending of goods, wares, and merchandise.

SEC. 16. All persons registered under this act shall be exempt and free from jury duty in the State of Arkansas.

SEC. 17. All acts and parts of acts in conflict with this act be, and the same are hereby repealed, and this act shall take effect and be in force from and after its passage.

CHAPTER 85.

AN ACT to regulate the practice of pharmacy and sale of poisons in the State of California.

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. From and after the first day of January, A. D. eighteen hundred and ninety-two, it shall be unlawful for any person to conduct any pharmacy or store for dispensing or compounding medicines, unless such person be a registered pharmacist, within the meaning of this act; and it shall be unlawful for any person to compound or dispense any physician's prescription, unless such person be a registered pharmacist, or a registered assistant pharmacist, within the meaning of this act, except as hereinafter provided.

SEC. 2. Any person in order to be a registered pharmacist, must be a graduate of pharmacy, a licentiate in pharmacy, or a practicing pharmacist.

SEC. 3. Graduates in pharmacy are persons who have had four years' experience in stores where the prescriptions of medical practitioners are compounded, and each must have obtained a diploma from a legally constituted college of pharmacy. Licentiates in pharmacy are persons who have had four years' experience in stores where the prescriptions of medical practitioners are compounded, and shall have passed an examination before the State board of pharmacy, or who shall present satisfactory credentials or certificates of their attainments to the said board. Practicing pharmacists are persons who, at the passage of this act, are conducting pharmacies in this State for compounding and dispensing of prescriptions of medical practitioners, and for the sale of medicines and poisons. Assistant pharmacists are persons of not less than eighteen years of age, who are employed by registered pharmacists, have studied the art of pharmacy for two years, and have passed an examination by the board of pharmacy, or who, prior to the passage of this act, have had three years' experience in pharmacies.

SEC. 4. Every pharmacist claiming the right of registration under this act shall, on or before the first day of January next after its passage, forward to the board of pharmacy satisfactory proof that he was engaged in the business of preparing and dispensing medicines and physicians' prescriptions at the time of passage of this act, or that he is otherwise entitled to registration under its provisions. The board of pharmacy shall then issue to said applicant, upon his paying the sum of five dollars, a certificate of registration. Any practicing pharmacist failing to comply with the requirements of this section, within sixty days from and after the first day of January, eighteen hundred and ninety-two, shall forfeit his right to registration, and shall appear for examination, as provided for in this act.

SEC. 5. Every assistant pharmacist claiming right of registration under this act, without passing an examination by the board of pharmacy, shall, on or before the first day of January next after the passage, forward to the board of pharmacy satisfactory proof that he has had three years' experience in drug stores where physicians' prescriptions are prepared; the board of pharmacy shall then issue to said applicant, upon his paying the sum of one dollar, a certificate of registration as assistant pharmacist. Any assistant failing to comply with the requirements of this section, within sixty days from and after the first day of January, eighteen hundred and ninety-two, shall forfeit his right to registration without passing the examination provided for in this act. No registered assistant shall conduct a pharmacy, or be granted a certificate as a registered pharmacist, until he has passed the examination for licentiate in pharmacy, as required by this act.

SEC. 6. Within thirty days after the passage of this act, and every fourth year thereafter, the governor shall appoint seven competent pharmacists, residing in different parts of the State, to serve as a board of pharmacy. The members of this board shall, within thirty days after their appointment, individually take and subscribe, before the county clerk in the county in which they individually reside, on oath, faithfully and impartially to discharge the duties prescribed by this act. They shall hold office for the term of four years, and until their successors are appointed and qualified. In case of vacancy in the board of pharmacy, the governor shall fill the same by appointing a member to serve for the remainder of the term only. The office of said board shall be located in San Francisco. The board shall organize by electing a president and a secretary, the latter to be ex-officio treasurer of the board. Four members of the board shall constitute a quorum. They shall meet at least quarterly, and have the power to make by-laws for the proper fulfillment of their duties. The duties of the board shall be to transact all business pertaining to the legal regulations of the practice of pharmacy; to investigate all complaints respecting noncompliance with, or violation of, the provisions of this act, and to bring the same to the notice of the proper prosecuting officer, whenever there appears to the board to be reasonable grounds for such action, and to examine and register as

pharmacists, or assistant pharmacists, all applicants whom it shall deem qualified to be such, respectively. All persons, on applying for examination or registration, shall pay to the secretary a fee of five dollars for licentiate, and two dollars for assistants; and on passing the examination shall be furnished with a certificate, signed by the secretary and examiners. In case of failure to pass, the board shall grant a second examination within one year, without any additional fee being charged. The board shall render an annual report of its proceedings to the governor of the State.*

SEC. 7. It shall be the duty of the secretary to keep a book of registration open at the city of San Francisco, of which due notice shall be given through the public press or by mail, in which book shall be entered, under the supervision of the board, the names, titles, qualifications, and places of business of all persons coming under the provisions of this act. The secretary shall give receipts for all money received by him, and disburse the same by order of the board for necessary expenses, taking proper vouchers therefor. The balance of said moneys, after paying the expenses of the board, he shall pay to the State treasurer, who shall keep it as a special fund to be used in carrying out the provisions of this act.

SEC. 8. The members of the board of pharmacy shall each be paid the sum of five dollars per diem, for every meeting of the board which they attend, and the secretary shall receive such additional compensation as the board may direct. All compensation of members, and other expenses of the board of pharmacy, shall be paid out of the examination and registration fees and fines.

SEC. 9. No person shall add to or remove from, or cause to be added to or removed from, any drug, chemical, or medicinal preparation, any ingredient or material for the purpose of adulteration or substitution, or which shall deteriorate the quality, commercial value, or medicinal effect, or alter the nature or composition of such article; and no person shall knowingly sell, or offer for sale, any such adulterated, altered, or substituted drug, chemical, or medicinal preparation, without informing the purchaser of the adulteration or sophistication of the article sold or offered for sale. Every registered pharmacist shall file or cause to be filed all physicians' prescriptions compounded or dispensed in his pharmacy or store; they shall be preserved for two years, and he shall furnish a correct copy of any prescription, upon the order or request of the attending physician. Any person who shall willfully violate any of the provisions of this section shall be guilty of a misdemeanor, and upon conviction thereof shall be liable to all costs of the action; and for the first offense be liable to a fine not exceeding fifty dollars, and for each subsequent offense a fine of not less than fifty nor more than one hundred dollars, said fines to be paid over to the board of pharmacy. On written complaint being entered against any person or persons, charging them with specific violation of any of the provisions of this act, the board of pharmacy is hereby empowered to delegate one of its members, or other suitable person, who shall have authority to inspect drugs, chemicals, or medicines, and to make a thorough investigation of the case; he shall then report the result of his investigation, and if such report justify such action, the board shall notify the prosecuting attorney or district attorney, who shall prosecute the offender according to law.

SEC. 10. It shall be unlawful for any person to retail any poisons enumerated in schedules "A" and "B," appended to this act, without labelling the box, bottle, or paper in which said poison is contained, with the name of the article, the word "Poison," and the name and place of business of the seller. Nor shall it be lawful to sell or deliver any poison named in schedules "A" and "B," unless, on inquiry, it is found that the person is aware of its poisonous character, and that it is to be used for a legitimate purpose. Nor shall it be lawful to sell or deliver any poison included in schedule "A" without making, or causing to be made, an entry in a book kept for that purpose only, stating the date of sale, and the name and

* See amendment at end of this law.

address of the purchaser, the name and quantity of the poison sold, the purpose for which it is stated by the purchaser to be required, and the name of the dispenser; said book to always be open for inspection by the proper authorities, and to be preserved for at least five years. The provisions of this section shall not apply to the dispensing of poisons when prescribed by practitioners of medicine, nor to the sale of poisons, if a single bottle or package does not contain more than an ordinary dose. Dealers shall affix to every bottle, box, parcel or other inclosure of an original package containing any of the articles named in schedules "A" and "B" of this act, a suitable label or brand with the word "Poison," but they are hereby exempted from the registration of the sale of such articles when sold at wholesale, or to a registered pharmacist or physician. Any person failing to comply with the requirements of this section shall be guilty of misdemeanor, and upon conviction shall be liable to a fine not exceeding fifty dollars.

SEC. 11. Any person who shall attempt to procure registration for himself, or for any other person under this act, by making, or causing to be made, any false representations, or who shall fraudulently represent himself to be registered, shall be deemed guilty of a misdemeanor, and shall, upon conviction thereof, be fined in a sum not exceeding two hundred dollars. Any registered pharmacist who shall permit the compounding and dispensing of prescriptions of medical practitioners in his store by persons not registered, except by junior assistants under the direct supervision of registered persons, or any person not registered who shall retail medicines or poisons, except in a pharmacy under the supervision of a registered pharmacist or a registered assistant pharmacist, and any registered person who shall fail to comply with the regulations of this act, shall be guilty of a misdemeanor, and upon conviction thereof be fined not exceeding fifty dollars. Nothing in this act shall apply to or interfere with the business of any practitioner of medicine who does not keep a pharmacy or open shop for the retailing of medicines or poisons, nor with the exclusive wholesale business of any dealer, except that portion of section ten which relates to marking or labeling certain poisons mentioned in this Act. Nor shall general dealers come under the provisions of this act, in so far as it relates to the keeping for sale of proprietary medicines in original packages of drugs and medicines; but in no case shall they compound or prepare any pharmaceutical preparations or prescriptions.

SEC. 12. All persons registered under this act shall be exempt and free from jury duty.

In case of resignation or removal from the State of any member of said board, or of a vacancy occurring from any cause, the governor shall appoint a registered pharmacist to serve as a member of the board for the remainder of the unexpired term.

SEC. 5. The said board shall, within thirty days after its appointment, meet in the city of Denver, and organize by the selection of a president, secretary, and treasurer, who shall serve for the term of one year, and who shall perform the duties prescribed by the board. The board shall have power to make by-laws for the full and proper execution of its duties under this act; to prescribe the forms and methods of application, examination and registration; to demand and receive from applicants the fees herein provided, which shall be held by the board and applied to the payment of salaries and other necessary expenses incident to the full discharge of its duties.

SEC. 6. The salaries of said board shall be \$5.00 to each member for each day of actual service, and all legitimate expenses incurred in the discharge of official duties.

The secretary of said board shall receive an additional salary, to be fixed by the board, and not to exceed \$500.00 per annum; he shall pay to the treasurer at each regular meeting, or whenever the board may direct, such funds of the board as may

be in his possession, and take the treasurer's receipt therefor: *Provided*, That no part of the salaries or expenses of the board shall be paid out of the State treasury.

In its annual reports to the governor and the Colorado Pharmaceutical Association the board shall render an account of all moneys received and disbursed, pursuant to this act; and the secretary and treasurer shall give such bonds as said board shall from time to time direct.

If any person shall fail or neglect to procure his annual registration as herein specified, notice of such failure having been mailed to his post-office address, as obtained from the books of the secretary, the board may, after the expiration of thirty days following the issue of said notice, deprive him of his registration and all other privileges conferred by this act; in order to gain registration it shall be necessary for such persons to make application and pass examination as provided in section 7 of this act.

SEC. 9. Every person registered under this act shall receive from the State board an appropriate certificate, not exceeding in size 120 square inches, which shall be conspicuously displayed at all times in his place of business. If the holder be entitled to manage or conduct a pharmacy in this State for himself or another, the fact shall be set forth in the certificate.

SEC. 10. Any person who is not a registered pharmacist, in the meaning of this act, who shall keep a pharmacy, store, or shop for the compounding and dispensing of physicians' prescriptions, and who shall not have in his employ in said pharmacy, store, or shop a registered pharmacist, in the meaning of this act, shall for each and every such offense be liable to a fine of \$250.

the marketing and vending of proprietary and patent medicines, nor with the exclusive wholesale business of any dealers, except as hereinafter provided: *Provided, also,* That nothing in this act shall in any manner interfere with the business of merchants in towns having less than 500 inhabitants, in which there is no licensed pharmacy, to sell or vend such medicines, compounds, and chemicals as are required by the general public, and in form and manner prescribed by the board of pharmacy.

It shall be the duty of the board, when called upon, to furnish dealers with a list of such articles, preparations, and compounds the sale of which is prohibited or regulated by this section. Any person violating any of the provisions of this section, or evading any of the requirements herein imposed, or authorizing the same to be done by another, shall be liable to a fine of not less than \$100 nor more than \$500 for each and every offense; and any person who shall willfully make any false representation about the character or composition of any preparation or compound, with the object of deceiving the officers of the State, or defeating the purposes of this act, shall, for every such offense, be liable to a fine of not less than \$100 or imprisonment in the county jail for not less than thirty days, or both. All suits brought on account of violations of any of the provisions of this act shall be prosecuted in the name of the people of Colorado, in any court of competent jurisdiction; and it shall be the duty of the district attorney where the offense is committed to prosecute every person violating any provision of this act upon proper complaint being made. All fines or penalties collected for such violation shall be paid to the State board of pharmacy, to be held by said board as by this act required.

SECTION 3118. There shall be three commissioners of pharmacy, consisting of one reputable physician and two pharmacists, to be selected by the governor from six persons to be annually nominated to him by the Connecticut Pharmaceutical Association.

SEC. 3119. The governor shall, on or before the first day of June in the year eighteen hundred and eighty-eight, and annually thereafter, appoint one such commissioner, who shall hold office for three years from the first day of June in the year of his appointment; and vacancies may be filled by the governor for the unexpired portion of the term.

SEC. 3120. Said commissioners shall keep a record of their proceedings, and may give certified copies thereof, which shall be legal evidence.

SEC. 3121. No person shall conduct or keep a shop, store, or place of any kind for retailing drugs, medicines, poisons, or such chemicals as are used in compounding medicines, or compound or dispense prescriptions of a physician, or vend medicines or poisons, unless he shall have been licensed therefor, as hereinafter provided, or shall be under the supervision of a licensed pharmacist.

SEC. 3122. The comptroller shall designate a room in the capitol for the meeting of said commissioners, which shall be held in each year on the first Tuesdays of March, April, June, September, and December, and at such other times and places as they may deem necessary, to determine the qualifications of applicants for license as pharmacists, and said commissioners shall license, by a certificate signed by them, or by a majority of them, such persons as shall produce satisfactory evidence to them of their qualifications and attainments, either by diploma granted to the applicant by some reputable college of pharmacy, or by the certificate of some reputable pharmacist that the applicant has, for not less than three years prior to his application, received instruction in pharmacy and possesses the necessary qualifications of a pharmacist, or by other satisfactory evidence.

SEC. 3123. All applicants for a license, other than a renewal of a license previously granted by said commissioners, shall be personally examined by said commissioners: *Provided, however,* That such examinations may be omitted in the cases of applicants who exhibit to said commissioners a diploma granted by some reputable college of pharmacy, or a license in force within one year prior to the date of such application, granted by the board of commissioners of pharmacy of another State, if such license shall be deemed sufficient evidence of qualifications by the commissioners of pharmacy of this State. Licenses shall specify the name of the person licensed, the date when granted, the city or town in which he shall conduct his business; and if in a city, the street and number of his place of business; and his license shall be conspicuously exhibited in his place of business, and shall remain in force until the first day of April next after said date, unless granted at a meeting of said commissioners on the first Tuesday of March, in which case such license shall terminate on the thirty-first day of March of the succeeding year, or unless such person shall remove his place of business without notice to the commissioners; and a license may be renewed upon the application of the person licensed, upon the terms hereinafter provided.

SEC. 3124. Every person conducting the business of pharmacy shall, on or before the first Tuesday of March annually, apply to said commissioners for said license, or for a renewal thereof, and establish his right thereto by such evidence as shall be satisfactory to them; and they shall adopt forms for application for license, and

SEC. 3126. Nothing contained in the preceding sections of this chapter shall be construed to prevent a practicing physician from compounding his own prescriptions, or to prevent the sale of proprietary medicines, or of any drugs, medicines, or poisons, at wholesale to licensed pharmacists, or for use in manufactures or the arts, or to prevent any person from becoming a partner in or the proprietor of a pharmacy conducted by a licensed pharmacist, or any keeper of a country store from keeping for sale and selling such domestic remedies as are usually kept and sold in such stores, but such keeper shall not compound medicines, and medicinal preparations so kept and recognized by the United States Dispensatory shall be compounded by a licensed pharmacist and marked by his label.

The money received under the provisions of this section shall be applied to payment of such expenses as the commissioners may incur in executing the provisions of this act.

SEC. 9. Nor shall it be lawful for any persons to deliver or sell any poisons enumerated above, unless upon due inquiry it be found that the purchaser is aware of its poisonous character and represents that it is to be used for a legitimate purpose. The provisions of this section shall not apply to the dispensing of poisons in not unusual quantities or doses upon the prescription of practitioners of medicine. Any violation of this section shall make the principal of said store liable to a fine of not less than \$10 or more than \$100: *Provided, however*, That this section shall not apply to manufacturers making and selling at wholesale any of the above poisons: *And provided*, That each box, vessel, or paper in which said poison is contained shall be labeled with the name of the article, the word "poison," and the name and place of business of the seller.

ILLINOIS.

AN ACT to regulate the practice of pharmacy in the State of Illinois.

SECTION 1. *Be it enacted by the people of the State of Illinois, represented in the General Assembly,* That it shall not be lawful for any person, other than a registered pharmacist, to retail, compound, or dispense drugs, medicines, or poisons, or to open or conduct any pharmacy or store for retailing, compounding, or dispensing drugs, medicines, or poisons, unless such person shall be, or shall employ and place in charge of said pharmacy or store, a registered pharmacist, within the meaning of this act, except as hereinafter provided.

SEC. 2. Any person shall be entitled to be registered as a registered pharmacist, within the meaning of this act, who shall be a licentiate in pharmacy, or shall furnish satisfactory evidence to the State board of pharmacy that he has had five years' practical experience in compounding drugs in a drug store or pharmacy where the prescriptions of medical practitioners are compounded. The said board shall have the right to refuse registration to applicants whose examination or credentials are not satisfactory evidence of their competency. This provision shall also apply to the registration of assistant pharmacists hereinafter mentioned. (As amended by act approved June 4, 1889; in force July 1, 1889.)

SEC. 3. Graduates in pharmacy must be such persons as have had four years' practical experience in drug stores where the prescriptions of medical practitioners are compounded, and have obtained a satisfactory diploma or credentials of their attainments from a regularly incorporated college or school of pharmacy.

SEC. 4. Licentiates in pharmacy must be persons not less than 18 years of age, who have had three years' practical experience in compounding drugs in drug stores where the prescriptions of medical practitioners are compounded, and have passed a satisfactory examination before the State board of pharmacy hereinafter mentioned. The said board may, in their discretion, grant certificates of registration to such persons as shall furnish, with their application, satisfactory proof that they have been registered by examination in some other State: *Provided*, That such other State shall require a degree of competency equal to that required of applicants in this State. (As amended by act approved June 4, 1889; in force July 1, 1889.)

SEC. 5. The governor, with the advice and consent of the Senate, shall appoint five persons from among such competent pharmacists in the State as have had ten years' practical experience in the dispensing of physicians' prescriptions, who shall constitute the board of pharmacy. The persons so appointed shall hold their offices for five years: *Provided*, That the term of office of the five first appointed shall be so arranged that the term of one shall expire on the thirtieth day of December of each year; and the vacancies so created, as well as all vacancies otherwise occurring, shall be filled by the governor, with the advice and consent of the Senate: *And provided, also*, That appointments made when the Senate is not in session, may be confirmed at its next ensuing session. The Illinois pharmaceutical association shall annually report directly to the governor, recommending the first year the names of at least ten persons, whom said association shall deem best qualified to serve as members of the board of pharmacy, and the names of at least three persons each year thereafter, to fill any vacancies which shall occur in said board.

SEC. 6. The said board shall, within thirty days after its appointment, meet and organize by electing a president from among their members, and a secretary, who shall not be a member of said board. The board shall also elect a treasurer who is a member of the board. Said board shall prescribe the duties and compensation of such treasurer, and shall require the said treasurer to give such bond as the said board shall direct. The secretary shall pay over to the treasurer all moneys that shall come into his hands as such secretary. It shall be the duty of the board to examine all applications for registration submitted in proper form; to grant certificates of registration to such persons as may be entitled to the same under the pro-

visions of this act; to cause the prosecution of all persons violating its provisions; to report annually to the governor and to the Illinois pharmaceutical association upon the condition of pharmacy in this State, which said report shall also furnish a record of the proceedings of the said board for the year, and also the names of all the pharmacists duly registered under this act. The board shall hold meetings for the examination of applicants for registration and the transaction of such other business as shall pertain to its duties, at least once in six months: *Provided*, That said board shall hold meetings once in every year in the city of Chicago, and in the city of Springfield, and it shall give thirty days' public notice of the time and place of such meeting; shall have power to make by-laws for the proper fulfillment of its duties under this act, and shall keep a book of registration, in which shall be entered the names and places of business of all persons registered under this act, which book shall also specify such facts as said persons shall claim to justify their registration. Three members of said board shall constitute a quorum. (As amended by act approved June 4, 1889; in force July 1, 1889.)

SEC. 7. Licentiates in pharmacy shall, at the time of passing their examination, be registered by the Secretary of the State board of pharmacy as registered pharmacists. (As amended by act approved June 4, 1889; in force July 1, 1889.)

SEC. 8. Any person shall be entitled to registration as assistant pharmacist who is of the age of 18 years, of good moral character, temperate habits, and has had three years' service under a registered pharmacist, and the time of attendance at any respectable school of pharmacy shall be accredited on the above time, or shall pass an examination before the State board of pharmacy that shall show competency or qualification equal to such service. Each applicant for registration by examination as assistant pharmacist shall pay to said board the sum of five dollars before receiving his certificate of registration. Applicants other than by examination shall pay to the board a fee of one dollar. Any assistant pharmacist shall have the right to act as clerk or salesman in a drug store or pharmacy during the temporary absence of the owner or manager thereof. (As amended by act approved June 4, 1889; in force July 1, 1889.)

SEC. 9. Every person applying for the registration of a registered pharmacist, shall, before a certificate is granted, pay to the secretary of the board the sum of two dollars; and a like sum shall be paid by licentiates of other boards who shall apply for registration; and by every applicant for registration by examination shall be paid the sum of five dollars: *Provided*, That in case of the failure of any applicant to pass a satisfactory examination, his money shall be refunded. (As amended by act approved June 4, 1889; in force July 1, 1889.)

SEC. 10. Every registered pharmacist who desires to continue the practice of his profession, shall annually thereafter during the time he shall continue in such practice, on such date as the board of pharmacy may determine, of which date he shall have thirty days' notice by said board, pay to the secretary of the board a registration fee, to be fixed by the board, but which shall in no case exceed \$1.00, for which he shall receive a renewal of said registration. The failure of any registered pharmacist to pay said fee shall not deprive him of his right to renewal upon payment thereof; nor shall his retirement from the profession deprive him of the right to renew his registration should he at any time thereafter wish to resume the practice, upon the payment of said fee. Registered assistants, upon receiving notice as aforesaid, shall, if they desire to renew their registration, pay to the secretary of said board an annual fee of one dollar. Every certificate of registration granted under this act shall be conspicuously exposed in the pharmacy to which it applies. (As amended by act approved June 4, 1889; in force July 1, 1889.)

SEC. 11. The secretary of the board shall receive a salary which shall be fixed by the board, and which shall not exceed the sum of fifteen hundred dollars (\$1,500) per year; he shall also receive his traveling and other expenses incurred in the performance of his official duties. The members of the board shall receive the sum of \$5 for each day actually engaged in this service and all legitimate and necessary

expenses incurred in attending the meetings of said board. Said expenses shall be paid from the fees and penalties received by the board, under the provisions of this act, and no part of the salary or other expenses of the board shall be paid out of the State treasury. All moneys received in excess of said per diem allowance and other expenses above provided for shall be held by the treasurer as a special fund for meeting the expenses of said board, and the cost of an annual report of the proceedings of the Illinois pharmaceutical association, and the necessary expenses of said association: *Provided*, That when the amount of money in the hands of the treasurer at any time exceeds two thousand dollars, the amount of such excess shall be paid into the State treasury. The board shall make an annual report to the governor and to the Illinois pharmaceutical association of all moneys received and disbursed by them pursuant to this act. (As amended by act approved June 4, 1889; in force July 1, 1889.)

SEC. 12. Any person not being, or having in his employ, a registered pharmacist, within the meaning of this act, who shall, sixty days after this act takes effect, keep a pharmacy, or store for retailing or compounding medicines, or who shall take, use, or exhibit the title of a registered pharmacist, shall, for each and every such offense, be liable to a penalty of fifty dollars. Any registered pharmacist who shall permit the compounding and dispensing of prescriptions, or the vending of drugs, medicines, or poisons in his store or place of business, except under the supervision of a registered pharmacist, or except by a "registered assistant" pharmacist, or any pharmacist or "registered assistant," who, while continuing in business, shall fail or neglect to procure his annual registration, or any person who shall willfully make any false representation to procure registration for himself or any other person, shall, for every such offense, be liable to a penalty of fifty dollars: *Provided*, That nothing in this act shall apply to nor in any manner interfere with the business of any physician, or prevent him from supplying to his patients such articles as may seem to him proper, nor with the making or vending of patent or proprietary medicines, or medicines placed in sealed packages, with the name of the contents and of the pharmacist or physician by whom prepared or compounded, nor with the sale of the usual domestic remedies by retail dealers, nor with the exclusively wholesale business of any dealers, except as hereinafter provided: *And provided further*, That no part of this section shall be so construed as to give the right to any physician to furnish any intoxicating liquor as a beverage, on prescription or otherwise.

SEC. 13. No person shall add to or remove from any drug, medicine, chemical or pharmaceutical preparation any ingredient or material for the purpose of adulteration or substitution, or which shall deteriorate the quality, commercial value, or medicinal effect, or which shall alter the nature or composition of such drug, medicine, chemical or pharmaceutical preparation so that it will not correspond to the recognized tests of identity or purity. Any person who shall thus wilfully adulterate or alter, or cause to be adulterated or altered, or shall sell or offer for sale any such adulterated or altered drug, medicine, chemical or pharmaceutical preparation, or any person who shall substitute, or cause to be substituted, one material for another, with the intention to defraud or deceive the purchaser, shall be guilty of a misdemeanor, and be liable to prosecution under this act. If convicted, he shall be liable to all the costs of the action and all the expenses incurred by the board of pharmacy in connection therewith, and for the first offense be liable to a fine of not less than fifty dollars nor more than one hundred dollars, and for each subsequent offense a fine of not less than seventy-five nor more than one hundred and fifty dollars. On complaint being entered, the board of pharmacy is hereby empowered to employ an analyst or chemist expert, whose duty it shall be to examine into the so-claimed adulteration, substitution, or alteration, and report upon the result of his investigation; and if said report justify such action, the board shall duly cause the prosecution of the offender, as provided in this law.

SEC. 14. No person shall sell at retail any poisons commonly recognized as such, and especially aconite, arsenic, belladonna, biniodide of mercury, carbolic acid, chloral hydrate, chloroform, conium, corrosive sublimate, creosote, croton oil, cyanide of potassium, digitalis, hydrocyanic acid, laudanum, morphine, nux vomica, oil of bitter almonds, opium, oxalic acid, strychnine, sugar of lead, sulphate of zinc, white precipitate, red precipitate, without affixing to the box, bottle, vessel, or package containing the same, and to the wrapper or cover thereof, a label bearing the name of the article and the word "poison," distinctly shown, with the name and place of business of the seller; who shall not deliver any of said poisons to any person under the age of fifteen years, nor shall he deliver any of said poisons to any person without satisfying himself that such poison is to be used for a legitimate purpose: *Provided*, That nothing herein contained shall apply to the dispensing of physicians' prescriptions of any of the poisons aforesaid. Any person failing to comply with the requirements of this section shall be liable to a penalty of five dollars for each and every such offense.

SEC. 15. All suits for the recovery of the several penalties prescribed in this act shall be prosecuted in the name of the "People of the State of Illinois," in any court having jurisdiction; and it shall be the duty of the State's attorney of the county where such offense is committed to prosecute all persons violating the provisions of this act, upon proper complaint being made. All penalties collected under the provisions of this act shall inure, one-half to the board of pharmacy, and the remainder to the school fund of the county in which the suit was prosecuted and judgment obtained.

Be it enacted by the General Assembly of the State of Iowa:

SECTION 1. That from and after the passage of this act it shall be unlawful for any person, not a registered pharmacist within the meaning of this act, to conduct any pharmacy, drug store, apothecary shop or store for the purpose of retailing, compounding, or dispensing medicines or poisons, and any person violating the provisions of this section shall be liable to pay a penalty of five dollars for each day of such violation and cost of prosecution. If a vacancy occur in said Commission, another shall be appointed, as aforesaid, to fill the unexpired term thereof. And said commissioners are authorized to administer oaths and take and certify the acknowledgments of instruments in writing.

SEC. 4. The commissioners of pharmacy shall register, in a suitable book, the names and places of residence of all persons to whom they issue certificates, and dates thereof. Every registered pharmacist who desires to continue his profession shall, on or before the 22d day of March of each year, pay to the commission of pharmacy the sum of one dollar, for which he shall receive a renewal of his certificate, unless his name has been stricken from the register for violation of law. It shall be the duty of each registered pharmacist, before changing the locality as designated in his certificate of registration, to notify the secretary of the commission of pharmacy of his new place of business, and for recording the same and certification thereto the secretary shall be entitled to receive fifty cents for each certificate. It shall be the duty of every registered pharmacist to conspicuously post his certificate of registration in his place of business. Any person continuing in business, who shall fail or neglect to procure his annual renewal of registration, or who shall change his place of business without complying with this section, or who shall fail to conspicuously post his certificate of registration in his place of business, shall for each such offense be liable to a fine of ten dollars for each calendar month during which he is so delinquent.

a schedule of questions to be answered and subscribed to under oath, or orally, each and every person who shall desire to conduct the business of selling at retail, compounding or dispensing drugs, medicines, or chemicals for medicinal use, or compounding or dispensing physicians' prescriptions as pharmacists, and if a majority of said commissioners shall be satisfied that said person is competent and fully qualified to conduct said business of compounding or dispensing drugs, medicines, or chemicals for medicinal use, or to compound or dispense physicians' prescriptions, they shall enter the name of such person as a registered pharmacist in the book provided for in section 4 of this act; and all graduates in pharmacy, having a diploma from an incorporated college or school of pharmacy that requires a practical experience in pharmacy of not less than four years before granting a diploma, shall be entitled to have their names registered as pharmacists by said commissioners of pharmacy without examination.

If unavoidable causes prevent a hearing during the regular time allotted to the term, the same shall be heard and disposed of in vacation by the judge as soon as practicable thereafter. The county attorney or other counsel, or any five citizens, may in person or by counsel appear and resist the application. Any remonstrance or objection thereto must be in writing and filed on or before noon of the first day of the said term or by such later time as may be fixed by the court, and before the date fixed for hearing, and such remonstrance shall state specifically the objection thereto. And whether resisted or objection be made or not the court shall not grant the permit until it shall first be made to appear by competent evidence that the applicant is possessed of the character and qualifications requisite, is worthy of confidence and to receive the trust and will be likely to execute the same with fidelity; and that the statements made in his application are all and singular true, and, considering the population of the locality and the reasonable necessities and convenience of the people such permit is proper. If the application is resisted the court or judge shall hear controversy upon the petitions, remonstrances, and objections, and

the evidence offered, and grant or refuse such permit as the public good may require. If there be more than one permit applied for in the same locality they shall all be heard at the same time, unless for good cause otherwise directed, and the court may grant or refuse any or all of the applications as will best subserve the public interest.

A fee of one dollar and fifty cents shall be taxed for the filing of the petition, and one dollar for entering the order of the court approving bond and granting said application, and witnesses shall be entitled to mileage and per diem as in other cases. And fees for

serving notices and subpoenas shall be the same as in other cases in the district court.

S. P. HENRY,

Speaker of the House of Representatives.

JAMES JEFFRIES,

Lieutenant-Governor and President of the Senate.

Approved, July 11, 1888.

FRANCIS T. NICHOLLS,

Governor of the State of Louisiana.

OPINION OF HON. WALTER H. ROGERS, ATTORNEY-GENERAL OF THE STATE OF LOUISIANA.

Act 66 of 1888 does not repeal but modifies section 2, act 70 of 1877, in so far as to fix the qualifications and determine who, under the law, is a licensed druggist.

Act 27 of 1879, section 16, is a revenue act fixing the amount of license to be paid as a privilege in pursuing the occupation. The proviso as to qualification is controlled by act 66 of 1888.

If a regular practitioner of medicine also engages in the practice of pharmacy, institutes or conducts any apothecary or drug store or pharmacy shop, he comes under the provision of act 66, the exception as to him being simply as to furnishing or administering drugs to his patients, the law evidently having in contemplation the "saddle bags" of the doctor, and not a permanent establishment, as defined in section 1 of act 66 of 1888.

EXTRACT FROM ACT 70 OF 1877, LAWS OF LOUISIANA.

SEC. 2. *Be it enacted,* That merchants, where there is no licensed drug store within eight miles of the place where such merchant is doing business, selling drugs in original packages, prepared and labeled by any licensed druggist, shall not be required to pay druggists' license.

Such persons shall be appointed and hold office, beginning on the first day of October next, one for one year, one for two years, one for three years, one for four years, and one for five years, or until their successors shall be appointed; and the governor shall appoint annually thereafter before the first day of October in each year one skilled pharmacist, qualified as aforesaid, to hold office for five years from the first day of October next ensuing. All vacancies occurring in said board shall be filled in accordance with the provisions of this act for the establishment of the original board. Any member of said board may be removed from office for cause by the governor with the advice and consent of the council.

SEC. 2. The members of said board shall meet on the first Tuesday of October next, at such time and place as they may determine, and shall immediately proceed to organize by electing a president and secretary who shall be members of the board and who shall hold their respective offices for the term of one year. The secretary shall give to the treasurer and receiver-general of the Commonwealth a bond with sufficient sureties, to be approved by the governor and council, for the faithful discharge of the duties of his office. The said board shall hold three regular meetings in each year, one on the first Tuesday of January, one on the first Tuesday of May, and one on the first Tuesday of October, and such additional meetings at such times and places as they may determine.

SEC. 3. Repealed May, 1887; such repeal not to impair or affect the rights or privileges of any person hitherto registered as a pharmacist under the provisions of said section.

SEC. 4. Any person not entitled to registration as aforesaid shall, upon payment of a fee of five dollars, be entitled to examination, and if found qualified shall be registered as a pharmacist, and shall receive the certificate thereof provided for in section three. Any person may be reexamined at any regular meeting of the board upon the payment of a fee of three dollars. All fees received by the board under this act shall be paid by the secretary of the board into the treasury of the Commonwealth once in each month.

SEC. 5. The compensation, incidental and traveling expenses of the board shall be paid from the treasury of the Commonwealth. The compensation of the board shall be five dollars each for every day actually spent in the discharge of their duties, and three cents per mile each way for necessary traveling expenses in attending the meetings of the board, but in no case shall any more be paid than was actually expended. Such compensation and the incidental and traveling expenses shall be approved by the board and sent to the auditor of the Commonwealth who shall certify to the governor and council the amounts due as in case of all other bills and accounts approved by him under the provisions of law: *Provided*, That the amount so paid shall not exceed the amount received by the treasurer and receiver-general of the Commonwealth from the board in fees as herein specified, and so much of said receipts as may be necessary is hereby appropriated for the compensation and expenses of the board as aforesaid.

SEC. 6. The board shall keep a record of the names of all persons registered hereunder, and a record of all moneys received and disbursed by said board, a duplicate whereof shall always be open to inspection in the office of the secretary of the Commonwealth. Said board shall annually report to the governor, on or before the first day of January in each year, the condition of pharmacy in the State, which report shall contain a full and complete record of all its official acts during the year, and shall also contain a statement of the receipts and disbursements of the board.

But nothing in this act shall be con-

strued to prohibit the employment of apprentices or assistants under the personal supervision of a registered pharmacist.

SEC. 10. This act shall not apply to physicians putting up their own prescriptions or dispensing medicines to their patients; nor to the sale of drugs, medicines, chemicals, or poisons at wholesale only; nor to the manufacture or sale of patent and proprietary medicines; nor to the sale of nonpoisonous domestic remedies usually sold by grocers or others; nor shall any member of a copartnership be liable to the penalties hereof if any other member of such copartnership is a registered pharmacist: *Provided*, That such nonregistered member shall not retail, compound for sale, or dispense for medicinal purposes drugs, medicines, chemicals, or poisons except under the personal supervision of a registered pharmacist.

SEC. 11. For the purpose of the appointment of said board and of registration of persons by them hereunder this act shall take effect upon its passage, and shall take full effect on the first day of January in the year eighteen hundred and eighty-six.

SECTION 1. *The people of the State of Michigan enact*, That the governor, with the advice and consent of the senate, shall, within thirty days after the passage of this act, appoint five persons and annually thereafter one person from among such competent pharmacists in the State as have had ten years' practical experience in dispensing physicians' prescriptions, who shall constitute the Michigan board of pharmacy. The term of office of said five persons shall be so arranged that the term of one shall expire on the thirty-first day of December of each year, and all appointments made thereafter shall be for the term of five years.

SEC. 2. The said board shall, within thirty days after its appointment, meet and organize by election of a president and secretary from its own members, who shall be elected for the term of one year, and shall perform the duties prescribed by the board. It shall be the duty of the board to examine all applications for registration submitted in proper form; to grant certificates of registration to such persons as may be entitled to the same under the provisions of this act; to investigate complaints and to cause the prosecution of all persons violating its provisions; to report annually to the governor, and to the Michigan pharmaceutical association, upon the condition of pharmacy in the State, which said report shall also furnish a record of the proceedings of the said board, for the year, and also the names of all pharmacists duly registered under this act. The board shall hold meetings for the examinations of applicants for registration, and the transaction of such other business as shall pertain to its duties, at least once in four months, said meetings to be held on the first Tuesdays of March, July, and November in each year; shall make by-laws for the proper fulfillment of its duties under this act, and shall keep a book of registration in which shall be entered the names and places of business of all persons registered under this act, which book shall also specify such facts as said persons shall claim to justify their registration. The records of said board, or a copy of any part thereof, certified by the secretary to be a true copy, attested by the seal of the board, shall be accepted as competent evidence in all courts of the State. Three members of said board shall constitute a quorum.

SEC. 3. The secretary of the board and treasurer thereof, if such separate officer be created, shall receive a salary which shall be fixed by the board. They shall also receive the amount of their traveling and other expenses incurred in the performance of their official duties. The other members shall receive the sum of three dollars for each day actually engaged in this service, and all legitimate and necessary expenses incurred in the performance of their official duties. Said salaries, per diem, and expenses shall be paid from the fees received under the provisions of this act. All moneys received in excess of said per diem allowance, and other expenses provided for, shall be paid into the State treasury at the end of each year, and so much thereof

as shall be necessary to meet the current expenses of said board shall be subject to the order thereof if, in any year, the receipts of said board shall not be equal to its expenses. The board shall make an annual report and render an account to the board of State auditors, and to the Michigan pharmaceutical association, of all moneys received and disbursed by it pursuant to this act.

SEC. 4. Every person who shall, within three months after this act takes effect, forward the board of pharmacy satisfactory proof, supported by his affidavit, that he was engaged in the business of a dispensing pharmacist on his own account in this State at the time this act takes effect, in the preparation of physicians' prescriptions, or that at such time he had been employed or engaged three years or more as a pharmacist in the compounding of physicians' prescriptions, and was at said time so employed in this State, shall, upon the payment to the board of a fee of two dollars, be granted the certificate of a registered pharmacist: *Provided*, That in case of failure or neglect to register as herein provided, then such person shall, in order to be registered, comply with the requirements provided for registration as a licentiate in pharmacy hereafter described.

SEC. 5. No person other than a licentiate in pharmacy shall be entitled to registration as a pharmacist, except as provided in section four. Licentiatees in pharmacy shall be such persons, not less than eighteen years of age, who shall have passed a satisfactory examination touching their competency before the board of pharmacy. Every such person shall, before an examination is granted, furnish satisfactory evidence that he is of temperate habits and pay to the board a fee of three dollars: *Provided*, That in case of failure of any applicant to pass a satisfactory examination, the money shall be held to his credit for a second examination at any time within one year. The said board may grant certificates of registration without further examination to the licentiatees of such other boards of pharmacy as it may deem proper upon a payment of a fee of two dollars.

SEC. 6. The said board may grant, under such rules and regulations as it may deem proper, at a fee not exceeding one dollar, the certificate of registered assistant to clerks or assistants in pharmacy not less than eighteen years of age, who at the time this act takes effect shall be engaged in such service in this State, and have been employed or engaged two years or more in the practice of pharmacy, but such certificate shall not entitle the holder to engage in such business on his own account, or to take charge of or act as manager of a pharmacy or drug store.

SEC. 7. Each registered pharmacist, or registered assistant, who desires to continue the practice of his profession shall annually, after the expiration of the first year of his registration, during the time he shall continue in such practice, on such date as the board of pharmacy may determine, pay to the said board a registration fee to be fixed by the board, but which shall not exceed one dollar for a pharmacist, or fifty cents for an assistant, for which he shall receive a renewal of said registration. Every person receiving a certificate under this act shall keep the same conspicuously exposed in his place of business. Every registered pharmacist, or assistant, shall, within ten days after changing his place of business or employment, as designated by his certificate, notify the secretary of the board of his new place of business. If any pharmacist or registered assistant shall fail or neglect to procure his annual registration, or to comply with the other provisions of this section, his right to act as such pharmacist or assistant shall cease at the expiration of ten days from the time notice of such failure to comply with the provisions of this section shall have been mailed to him by the secretary of said board.

SEC. 8. All or any registration obtained through false representations shall be void, and the board of pharmacy may hear complaints and evidence, and may revoke such certificates as it may deem improperly held.

SEC. 9. Any proprietor of a pharmacy who, not being a registered pharmacist, shall, ninety days after this act takes effect, fail or neglect to place in charge of such pharmacy a registered pharmacist, or any such proprietor who shall by himself,

or any other person, permit the compounding or dispensing of prescriptions, or the vending of drugs, medicines, or poisons, in his store or place of business, except by or in the presence and under the supervision of a registered pharmacist, or except by a registered assistant; or any person not being a registered pharmacist who shall take charge of or act as manager of such pharmacy or store, or who, not being a registered pharmacist or registered assistant, shall retail, compound, or dispense drugs, medicines, or poisons, or any person violating any other provision of this act to which no other penalty is herein attached, shall be deemed guilty of a misdemeanor, and for every such offense, upon conviction thereof, shall be punished by a fine of not less than ten nor more than one hundred dollars, and in default of payment thereof shall be imprisoned not less than ten days nor more than ninety days, or both such fine and imprisonment, in the discretion of the court.

SEC. 10. Nothing in this act shall apply to, or in any manner interfere with, the business of any practicing physician who does not keep open shop for retailing, dispensing, or compounding of medicine and poison, or prevent him from supplying to his patient such articles as may seem to him proper, nor with the vending of patent or proprietary medicines by any retail dealer *who has been in such business three years or more*, nor with the selling by any person of drugs, medicines, chemicals, essential oils, and tinctures which are put up in bottles, boxes, packages, bearing labels securely affixed, which labels shall bear the name of the pharmacist or druggist putting up the same, the dose that may be administered to persons three months, six months, one year, three years, five years, ten years, fifteen years, and twenty-one years of age, and, if a poison, the name or names of the most common antidotes; of copperas, borax, blue vitriol, saltpeter, pepper, sulphur, brimstone, Paris green, licorice, sage, senna leaves, castor oil, sweet oil, spirits of turpentine, glycerin, Glauber salts, Epsom salts, cream tartar, bicarbonate of soda, sugar of lead, and such acids as are used in coloring and tanning, nor with the selling of paregoric, essence of peppermint, essence of ginger, essence of cinnamon, hive syrup, syrup of ipecac, tincture of arnica, syrup of tolu, syrup of squills, spirits of camphor, number six, sweet spirits of nitre, laudanum, quinine, and all other preparations of cinchona bark, tincture of aconite, and tincture of iron, compound cathartic pills, or quinine pills, nor with the exclusively wholesale business of any dealer: *Provided*, That every person who shall, within three months after this act takes effect, forward to the board of pharmacy satisfactory proof, supported by his affidavit, that he was engaged in the business of a dispensing pharmacist on his own account in this State, in the preparation of physicians' prescriptions, three years next previous to the second day of June, 1885, or that at such time he had been employed or engaged three years or more as a pharmacist in the compounding of physicians' prescriptions, and was at said time so employed in this State, shall, upon the payment to the board of a fee of two dollars, be granted the certificate of a registered pharmacist: *And provided, further*, That the said board may grant, at a fee not exceeding one dollar, to such person not less than sixteen years of age who shall pass a satisfactory examination touching his competency before the board of pharmacy the certificate of registered "assistant," but such certificate shall not entitle the holder to engage in business on his own account or to take charge of or act as manager of a pharmacy or drug store.

SEC. 11. No person shall add to or remove from any drug, medicine, chemical, pharmaceutical preparation any ingredient or material for the purpose of adulteration or substitution which shall deteriorate the quality, commercial value, or medicinal effect, or which shall alter the nature or composition of such drug, medicine, chemical, or pharmaceutical preparation so that it will not correspond to the recognized tests of identity or purity. Any person who shall thus willfully adulterate or alter, or cause to be adulterated or altered, or shall sell or offer for sale, any such drugs, medicine, chemical, or pharmaceutical preparation, or any person who shall substitute, or cause to be substituted, one material for another, with the intention to defraud or deceive the purchaser, shall be guilty of a misdemeanor, and

SEC. 12. The senior pharmacist of every house dispensing and compounding medicines, registered under this act, shall be exempt and free from all jury duty in the courts of this State.

SEC. 13. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

MINNESOTA.

Be it enacted by the Legislature of the State of Minnesota:

“SECTION 1. That except as in this act provided, it shall hereafter be unlawful for any person to retail, compound, or dispense drugs, medicines, or poisons, or to institute or conduct any pharmacy, store, or shop for retailing, compounding, or dispensing drugs, medicines, or poisons, unless such person shall be a registered pharmacist, or shall employ, place, and keep in active charge and control of said pharmacy, store, or shop a registered pharmacist, within the full meaning of this act.” (As amended in 1891.)

SEC. 2. To be entitled to registration as a pharmacist within the full meaning of this act the applicant must be a graduate in pharmacy, or a graduate in medicine, within the requirements of this act, or he must be not less than twenty-one (21) years of age, and have had four (4) years’ practical experience in drug stores where prescriptions of medical practitioners have been usually compounded, and have sustained a satisfactory examination before the board of pharmacy of the State of Minnesota, or he must be at the time of the passage of this act a registered assistant.

Nothing in this section contained shall impair the validity of any registration heretofore granted by said board. But notwithstanding anything in this section hereinbefore contained, any person who was on the 5th day of March, 1885, entitled to registration as a registered pharmacist, and who is at the time of the passage of this act engaged in the business of a dispensing pharmacist in the State of Minnesota, and who shall within thirty (30) days after the passage of this act file with the secretary of said board an application for registration, accompanied with his affidavit that he was on the 5th day of March aforesaid, as well as at the time of the passage of this act, so engaged, shall be granted a certificate of registration without examination. (As amended in 1891.)

SEC. 3. A graduate in pharmacy or in medicine must, in order to be so registered, have had four (4) years’ practical experience in drug stores where prescriptions of medical practitioners have been usually compounded and have a diploma from a college or school of pharmacy or medicine satisfactory to said board of pharmacy, as sufficient guarantee of his attainments and proficiency, or he shall be legally entitled to practice medicine in the State of Minnesota. (As amended in 1891.)

SEC. 5. Immediately upon the passage of this act the Minnesota State pharmaceutical association shall elect fifteen (15) reputable and practicing pharmacists doing business in the State, from which number the governor shall appoint five (5). It shall be the duty of the board to examine all applications for registration submitted in proper form; to grant certificates of registration to such persons as may be entitled to the same under the provisions of this act; to cause the prosecution of all persons violating its provisions; to report annually to the governor and to the Minnesota State pharmaceutical association upon the condition of pharmacy in the State, which said report shall also furnish a record of the proceedings of said board for the year, as well as the names of all pharmacists duly registered under this act. The board shall hold meetings for the examination of applicants for registration and transaction of such other duties as shall pertain to its duties at least once in three months, and the said board shall give thirty (30) days' public notice of the time and place of such meeting. The said board shall also have power to make by-laws for the proper execution of its duties under this act, and shall keep a book of registration, in which shall be entered the names and places of business of all persons registered under this act, which registration book shall also contain such facts as such persons claim to justify their registration. Three members of said board shall constitute a quorum.

SEC. 7. Every person claiming the right of registration under this act, who shall, within three months after the passage of this act, forward to the board of pharmacy satisfactory proof, supported by his affidavit, that he was engaged in the business of dispensing pharmacist on his own account in the State of Minnesota at the time of the passage of this act, as provided in section 2, shall, upon the payment of the fee hereinafter mentioned, be granted a certificate of registration: *Provided*, That in case of failure or neglect to register as herein specified, then such person shall, in order to be registered, comply with the requirements provided for registration as graduates in pharmacy or licentiates in pharmacy within the meaning of this act.

Each of said secretaries shall receive a compensation of five dollars (\$5.00) per day for each day's service actually and necessarily performed and such necessary expenses as shall be audited and found just and reasonable by said board for attending the meeting thereof, said secretaries or examiners to be selected from ten practical pharmacists recommended by the Nebraska State pharmaceutical association: *Provided*, That all such services and expenses, and all the necessary expenses of said board shall be paid out of the money received by said board for fees. All moneys received in excess of said per diem allowance, and all other expenses above provided for, shall be paid into the State treasury at the end of each year, and so much thereof as shall be necessary to meet the current expenses of said board shall be subject to the order thereof if, in any year, the receipts of said board shall not be equal to its expenses. The board shall make an annual report, and render account to the State auditor and to the Nebraska State pharmaceutical association of all moneys received and disbursed by it pursuant to this act. And the State of Nebraska shall in no case be liable for any such compensation or expenses: *And*

provided further, That said board shall have power to discharge any of said secretaries at any time and to fill any vacancy in the position of secretary whenever from any cause such vacancy exists.

SEC. 2. The said board of examiners shall, within thirty days after its appointment, meet and organize by the election of a president, a secretary, and treasurer from its own members, who shall be elected for the term of one year and serve until their successors are elected and qualified and to perform all the duties prescribed by the board. It shall be the duty of the board to examine all applications for registration submitted in proper form, by such persons as may be entitled to the same under the provisions of this act; to investigate complaints when properly presented, and to cause the prosecution of all persons violating its provisions; to report annually to the governor and to the Nebraska State pharmaceutical association upon the condition of pharmacy in the State, which said report shall also furnish a record of the proceedings of the said board for the year, and also the name of all the pharmacists registered under this act. The board shall hold meetings for the examination of applicants for registration and the transaction of such other business as shall pertain to its duties at least four times a year, said meetings to be held the second Wednesday in February, May, August, and November in each year; and shall make by-laws for the proper fulfillment of its duties; and shall keep a book of registration, in which shall be entered the names and places of business of all persons registered under this act, which book shall also specify such facts as said persons shall claim to justify their registration. The record of said board, or a copy of any part thereof, certified by the secretary to be a true copy, attested by the seal of the board, shall be accepted as competent evidence in all courts of the State. Three members of said board shall constitute a quorum. The president of said board of examiners shall retire from the said board each year and cease to be a member of said board of examiners at the expiration of his term of office. The Nebraska State pharmaceutical association shall annually select three pharmacists from which number the Nebraska State board of pharmacy shall select one to fill vacancy occurring each year.

SEC. 3. Every person who shall, within three months after the passage of this act takes effect, forward to the board of pharmacy satisfactory proof, supported by his affidavit, that he was engaged in the business of a dispensing pharmacist on his own account in this State at the time this act takes effect, in the preparation of physicians' prescriptions, or that at such time he had been employed or engaged three years or more as a pharmacist in the compounding of physicians' prescriptions, and was at said time so employed in this State, shall, upon payment to the board of a fee of two dollars (\$2.00), be granted the certificate of registered pharmacist: *Provided*, That in case of failure or neglect to register as herein provided, such person or persons shall, in order to be registered, comply with the requirements provided for registration as a licentiate in pharmacy hereinafter described.

SEC. 4. No other than a licentiate in pharmacy shall be entitled to registration as a pharmacist except as provided in section 3. Licentiate in pharmacy in the meaning of this act shall be such persons, not less than eighteen years of age, who shall have had not less than three years' practical experience in pharmacy, and who shall have passed a satisfactory examination touching their competency before the board of examiners. Every such person shall, before examination is granted, furnish satisfactory evidence that they are of temperate habits, and pay to the board a fee of five dollars: *Provided*, That in case of the failure of any applicant to pass a satisfactory examination, the money shall be held to his credit for a second examination at any time within a year. The said board may grant certificates of registration without further examination to the licentiates of such other boards of pharmacy and graduates of such colleges of pharmacy as it may deem proper upon the payment of five dollars (\$5.00), which shall be good only until the first regular meeting of the board thereafter. Licentiates in pharmacy shall at the time of passing their examination be registered by the secretary of State board of examiners as registered pharmacists.

SEC. 5. Assistants who have held a certificate of registration in this State for two consecutive years may, upon application to the board of examiners, be granted a certificate as a registered pharmacist by paying a fee of three dollars: *Provided*, That the applicant has been continually in the practice of pharmacy for two years next preceding his registration as an assistant.

SEC. 6. Every registered pharmacist who desires to continue the practice of his profession shall annually after the expiration of the first year of his registration during the time he shall continue in such practice, on or before the 24th day of March of each year, pay to the said board a registration fee of two dollars (\$2.00), for which he shall receive a renewal of said registration. Every person receiving a certificate under this act shall keep the same conspicuously exposed in his place of business. Every registered pharmacist shall, after changing his place of business or employment, as designated by his certificate, notify the secretary of the board of his new place of business. If any pharmacist shall fail or neglect to procure his annual registration or comply with the other provisions of this section, his right to act as such pharmacist shall cease at the expiration of ten days from the time of notice of such failure to comply with the provisions of this section shall have been mailed to him by the secretary of said board, and such pharmacist shall be barred from the practice of pharmacy until he shall have made application and passed the examination provided for in section 4 of this act.

SEC. 7. Any registration obtained through false representations shall be void, and the board of pharmacy may hear complaints and evidence and may revoke such certificates as it may deem improperly held.

SEC. 8. Any proprietor of a pharmacy who, not being a registered pharmacist, or any such proprietor who shall, by himself or any person, permit the compounding or dispensing of prescriptions or vending of drugs, medicines, or poisons in his store or place of business, except by or in the presence of or in and under the supervision of a registered pharmacist; who shall retail, compound, or dispense drugs, poisons, or medicines of any kind, or any person violating any provisions of this act to which no other penalty is herein attached, shall be deemed guilty of a misdemeanor, and for every such offense, and upon conviction thereof, shall be punished by a fine of not less than ten dollars nor more than \$100,000, [\$100?] or shall be imprisoned not less than ten days nor more than ninety days: *Provided*, That nothing in this act shall be construed so as to prohibit a registered pharmacist from taking an apprentice to learn the business of pharmacy.

SEC. 9. Nothing in this act shall prevent any wholesale or retail dealers in any business from selling any patent or proprietary medicines, nor any resident registered physician from dispensing his own medicines on his own prescriptions.

SEC. 10. No person shall add to or remove from any drug, medicine, chemical, or pharmaceutical preparation any ingredient or material for the purpose of adulteration or substitution which shall deteriorate the quality, value, or medical effect, or which shall alter the nature or composition of such drug, medicine, chemical, or pharmaceutical preparation, so that it will not correspond to the recognized tests of identity or purity. Any person who shall thus willfully adulterate or alter, or cause to be adulterated or altered, or shall offer for sale any such drug, medicine, chemical, or pharmaceutical preparation, or any person who shall substitute or cause to be substituted one material for another, with the intention to defraud or deceive the purchaser, shall be guilty of a misdemeanor and be liable to prosecution under this act. If convicted he shall be liable to all the costs of the action, and for the first offense be liable to a fine of not less than ten dollars (\$10.00) or more than one hundred dollars (\$100.00), and for each subsequent offense a fine of not less than twenty-five dollars (\$25.00) or more than one hundred dollars (\$100.00). On complaint being entered, the board of pharmacy is hereby empowered to employ an analyst or chemist whose duty it shall be to examine into the so-called adulteration, substitution, or alteration and report upon the result of his investigation, and if the said

report shall be deemed to justify such action, the board shall duly cause the prosecution of the offender as provided in this act.

SEC. 11. All suits for the recovery of the penalties prescribed in this act shall be prosecuted in the name of the State of Nebraska in any court having jurisdiction, and it shall be the duty of the prosecuting attorney of the county where such offense has been committed to prosecute all persons violating the provisions of this act upon proper complaint being made to them.

SEC. 13. That said sections 2, 4, 5, 6, and 8 of article 3, chapter 52, laws of 1887, as now existing, be, and the same are hereby, repealed.

SEC. 14. Whereas, there being an emergency, this act shall take effect and be in full force from and after its passage.

DECISIONS OF THE ATTORNEY-GENERAL ON THE NEBRASKA PHARMACY LAW.

ATTORNEY-GENERAL'S OFFICE,

Lincoln, May 22, 1889.

Mr. JAMES REED,

Nebraska City, Nebr.:

DEAR SIR: In answer to your letter of 20th, asking if a grocer violates the pharmacy law by selling sulphur and copperas, I will say that the section of the law provides if any person not being a registered pharmacist shall retail, compound, or dispense drugs, poisons, or medicines he violates the law. If the articles above mentioned are drugs, then a grocer can not legally sell them without being a registered pharmacist. I do not fully know the use that such articles can be put to, and therefore can not see where the harm will be in allowing a grocer to sell them. If they are drugs then the sale is prohibited. I think that it would be a good thing to test the question. As a drug is defined, any commodity used for medicine, dyeing, tanning, and various other purposes, and if the articles sold are used for these purposes, then I am inclined to think there is a violation of the law.

Yours, etc.,

WM. LEESE,

Attorney-General.

Mr. HENRY D. BOYDEN,

Grand Island, Nebr.:

DEAR SIR: In answer to yours of the 19th inst. I will say that I do not think any person is entitled to a druggist's permit to sell liquors or any other drugs or medicines unless he is registered. A druggist's permit is only granted to druggists, and it would be an evasion of the liquor law to allow a drug store to keep a barroom.

If a druggist is not registered he can not legally sell drugs, and if he has drugs that he can not sell and sells only liquor he is a saloon-keeper, and the keeping of drugs is a sham. The liquors are to be sold only for certain purposes named, and then must be by a druggist.

Yours, etc.,

WM. LEESE,

Attorney-General.

CHAPTER 135.—SALE OF DRUGS AND MEDICINES.

SECTION 1. No person shall conduct or keep a shop of any kind in this State for the purpose of retailing drugs, medicines, or such chemicals as are used in compounding medicines, or engage in the business of compounding and putting up prescriptions

of physicians and selling medicines, either as a proprietor, agent, or assistant, without having first obtained a certificate from the commissioners appointed under the provisions of this chapter; but it shall be lawful for any person to sell proprietary medicines, or to be an owner in the stock in trade in any druggist or apothecary's shop, if he takes no part in conducting or keeping the shop.

SEC. 2. There shall be a commission styled the commission of pharmacy and practical chemistry, which shall be composed of three commissioners, appointed by the governor with the advice of the council, each of whom shall hold his office for three years, and until his successor is appointed and qualified. In case a vacancy shall occur at any time from any cause the governor, with advice of the council, shall fill the vacancy for the unexpired part of the term. The commission as now constituted is continued, subject to the provisions of this chapter.

SEC. 3. The commission shall hold meetings for the examination of applicants for registration, granting of certificates, and the transaction of other necessary business at least quarterly, and at such time and place as they may see fit.

SEC. 4. They shall examine any person desiring to engage in the business of apothecary and druggist, and, if found skilled and learned in pharmacy, shall give to him a certificate stating that he is a skilled pharmacist and authorized to engage in the business of apothecary and druggist.

SEC. 5. They shall examine all applicants over eighteen years of age who have served two years under a registered pharmacist, and grant to such as pass satisfactory minor examinations a certificate as "registered assistant." Such certificate shall not entitle the holder to act as manager of a drug store or pharmacy.

SEC. 6. The commissioners shall procure and keep a suitable book at the office of the secretary of State, wherein they shall register the names and places of residence of all persons to whom they shall issue certificates, and the dates thereof, which shall be open to the examination of all persons at all reasonable times.

SEC. 7. The commission shall file with the secretary of State, on or before the first day of December in each year, a report to the governor and council upon the condition of pharmacy in the State and containing a record of their acts and proceedings.

SEC. 8. Each applicant for a pharmacist's certificate shall pay to the commission a fee of five dollars, and each applicant for a registered assistant's certificate a fee of two dollars, for the use of the board. Each commissioner shall also receive five dollars per day for actual service for not exceeding fifteen days annually, and all necessary expenses incurred in the discharge of his duty, to be paid from the State treasury.

SEC. 9. All pharmacists lawfully registered are authorized to keep spirituous liquors for compounding their medicines.

SEC. 10. If any person shall engage in the business of retailing and vending, directly or indirectly, drugs, medicines, and chemicals, and in dispensing medicine and compounding physicians' prescriptions, without being registered as provided by this chapter or the law heretofore in force, he shall be punished by a fine not exceeding fifty dollars for each week he shall continue the business without being so registered.

SEC. 11. The provisions of this chapter shall not be so construed as to apply to physicians compounding and putting up their own prescriptions.

Passed to take effect Aug. 16, 1889.

The persons so appointed shall constitute the board of pharmacy and shall hold the office for the term for which they were appointed, or until their successors are duly appointed and qualified. They, the said board, and each of them, shall, within ten (10) days after their appointment, or being apprised of the same, take and subscribe the usual official oath, before a properly qualified officer of the county in which they reside. The said board shall organize within thirty (30) days from and after their appointment, and annually thereafter, by the election of a president and secretary. A majority of the board shall constitute a quorum for the transaction of business. Said board shall have the power to make by-laws and all necessary regulations for the proper fulfillment of their duties under this act, without expense to the Territory. Any vacancy occurring in said board shall be filled by an appointment by the governor for the unexpired term.

SEC. 4. The board of pharmacy shall register, in a suitable book, a duplicate of which shall be kept in the office of the secretary of the Territory, the names and places of residence of all persons to whom they issue certificates and the dates thereof.

In case of the failure or neglect of any person to apply for registration within sixty (60) days after the organization of the said board of pharmacy, he shall have forfeited the privilege of registering without examination, and he shall only be registered after examination, as set forth in section 5 of this act.

SEC. 5. dispensing physicians' prescriptions as pharmacists in the Territory of New Mexico; and if a majority of said board shall be satisfied that said person is competent and fully qualified to conduct said business of compounding or dispensing drugs, medicines, or chemicals for medical use, or to compound and dispense physicians' prescriptions, they shall enter the name of such person as a registered pharmacist, in the book provided for in section 4 of this act: *Provided*, That all graduates in pharmacy having a diploma from an incorporated college or school of pharmacy that requires a practical experience in pharmacy of not less than three (3) years before granting a diploma may, in the discretion of the board, be entitled to have their names registered as registered pharmacists by said board without examination.

The board of pharmacy shall issue an appropriate certificate to each person registered, which certificate must be conspicuously displayed in every store or place described in this section. Said certificate must be renewed twelve (12) months after each date of issue.

SEC. 6. The board of pharmacy shall be entitled to demand and receive each person whom they register and furnish a certificate as a registered pharmacist, without examination, the sum of two dollars, and for each and every person whom they examine the sum of five dollars, which shall be in full for all services. In case the examination of said person shall prove defective and unsatisfactory to the board, and he be declined registration, he shall be permitted to present himself for reexamination within twelve (12) months thereafter, and no charge shall be made for such examination.

SEC. 7. The board of pharmacy shall hold quarterly sessions per annum at such times and places as the board may determine; other sessions of the board may also be held whenever and wherever a quorum of the board is present.

In the interim of the sessions of the board, and upon satisfactory evidence of a fitness of an applicant, any one (1) member of the board may, in his discretion, issue a temporary certificate, which shall authorize and empower the holder to conduct a drug store or pharmacy, as set forth in section 5 of this act. Such temporary certificate must be signed by one (1) member, and shall expire and terminate at the date of the next succeeding quarterly session of the board after the granting thereof. No fee shall be demanded for this temporary certificate.

SEC. 8. Every owner of a drug store in the Territory of New Mexico shall be held responsible for the quality of all drugs, chemicals, and medicines he may sell or dispense, with the exceptions of those sold in the original packages of the manufacturer or wholesale dealer, and also those known as proprietary medicines. And should he knowingly, intentionally, and fraudulently adulterate, or cause to be adulterated, such drugs, chemicals, or medical preparations, he shall be deemed guilty of a misdemeanor, and, upon conviction thereof his license as a registered pharmacist shall be thereby revoked, and in addition thereto be liable to a penalty not exceeding five hundred (500) dollars.

SEC. 9. Any person who shall procure or attempt to procure registration for himself or for another under this act, by making or causing to be made false representations, shall be deemed guilty of a misdemeanor, and shall, upon conviction thereof, be liable to a penalty of not less than five and not exceeding one hundred dollars, and his name, together with the name of the person so falsely registered, shall be stricken from the register.

SEC. 10. Any person not a registered pharmacist, as provided in this act, who shall conduct a store or pharmacy, or place for retailing, compounding, or dispensing drugs, medicines, or chemicals, for medical use, or for compounding or dispensing physicians' prescriptions in the Territory of New Mexico, or who shall take, use, or exhibit the title of registered pharmacist, shall be deemed guilty of a misdemeanor, and, upon a conviction thereof, be liable to a penalty of not less than five nor more than one hundred dollars: *Provided*, That any person or persons not a registered pharmacist may own and conduct such store, if he or they keep constantly in their employ a registered pharmacist: *Provided, further*, This act shall

SEC. 11. If any registered pharmacist shall go out of the drug business, and remain out for a period of twelve (12) months, his certificate as registered pharmacist shall thereupon expire.

SEC. 12. All suits for the recovery of the several penalties prescribed in this act shall be prosecuted in the name of "The Territory of New Mexico," in any court having jurisdiction; and it shall be the duty of the prosecuting attorney of the county where such offense is committed to prosecute all persons violating the provisions of this act, upon proper complaint being made. All penalties collected under the provision of this act shall inure to the expense fund of the board which may occur.

SEC. 13. All persons registered under this act shall be exempt and free from all jury duty in the Territory of New Mexico, upon such person making affidavit that there is no other drug store in the town except theirs, and that they have no proper assistant, and can procure no such assistant to attend to their business during their absence.

SEC. 14. It shall be the duty of the said board to grant to persons or merchants in towns or camps having no drug store, minor certificates without charge as they may deem proper, to vend such medicines, compounds, or chemicals as are required by the general public: *Provided*, That this law is not to be so construed as to prevent ranchmen or miners, not within reach of a store or place where drugs are sold, from dispensing medicines to their families or employes: *Provided, further*, That it shall be the duty of the secretary of said board to render an accurate annual statement to the governor of the Territory of all moneys received and expended by said board during each year, and he shall also report upon the general condition of pharmacy throughout the Territory.

Be it enacted by the Legislative Assembly of the State of Oregon:

SECTION 1. That from and after the passage of this act it shall be unlawful for any person not a registered pharmacist within the meaning of this act, to conduct any pharmacy, drug store, apothecary shop, or store for the purpose of retailing, compounding, or dispensing medicines or poisons, or for the proprietor of any store or pharmacy to allow any person, except a registered pharmacist, to compound or dispense the prescriptions of physicians, or to retail or dispense poisons for medical use, except as an aid to and under the supervision of a registered pharmacist or registered physician.

SEC. 2. That within sixty days after the passage of this act the governor shall appoint five persons from among competent pharmacists of the State, who shall constitute the Oregon board of pharmacy. It shall be the duty of each member of said board, before entering upon the discharge of his duties, to appear before an officer duly authorized to administer oaths in this State, and make such oath to faithfully and impartially discharge the duties of a member of the board. The first term of said members of the board of pharmacy shall be one, two, three, four, and five years, respectively, and shall be designated by the governor in his appointments. Members of the board shall meet at such time and place as may be agreed upon, and shall proceed to first elect by ballot a president, treasurer, and secretary, who shall hold their offices for the term of one year, or until their successors are elected and qualified. Thereafter the board shall meet and hold examinations as hereinafter provided at least quarterly during each year, and any three members of the board shall constitute a quorum. The board shall have power to make such by-laws as it may deem necessary and not inconsistent with the constitution of this State or with the provisions of this act, and prescribe the qualifications of a pharmacist of this State. In case of a vacancy occurring in the board from any cause, the governor shall fill the vacancy by appointment from competent pharmacists of this State.

SEC. 3. That the secretary of the board shall receive a salary which shall be fixed by the board; he shall also receive his traveling and other expenses incurred in the performance of his official duties. The other members of the board shall receive the sum of five dollars for each day actually engaged in this service, and all legitimate and necessary expenses incurred in attending the meetings of said board. Said expenses shall be paid from the fees received by the board under the provisions of this act, and no part of the salary or other expenses of the board shall be paid out of the State treasury. All moneys received in excess of said expenses shall be held by the board as a special fund for meeting further expenses. The board shall render an annual report of the work it has accomplished to the governor, and render an account of all moneys received and disbursed by them pursuant to this act.

SEC. 4. That said board of pharmacy shall, upon application, and at such time and place and in such manner as they may determine, examine each and every person who shall desire to become registered as a registered pharmacist in this State, and if the majority of said board shall be satisfied that said person possesses the qualifications prescribed by the by-laws of said association they shall issue the proper

certificate to such applicant, said certificate to be signed by not less than three members. The board of pharmacy shall be entitled to demand and receive of each person whom they examine for registration as a registered pharmacist the sum of five dollars, which shall be in full for all services; and in case the examination of such person shall prove defective and unsatisfactory, and his name be not registered, he shall be permitted to again present himself for examination, and if such examination is had within any period not exceeding twelve months thereafter no charge shall be made for the same.

SEC. 5. That any person shall be entitled to be registered as a registered pharmacist who shall be either a graduate in pharmacy, a licentiate in pharmacy, or who shall at the time this act takes effect be engaged in the business of a dispensing pharmacist in the State of Oregon, in the preparation of physicians' prescriptions, and in the vending and compounding of drugs, medicines, and poisons.

SEC. 7. Any assistant or clerk in pharmacy not having the qualification of a registered pharmacist within the meaning of this act, not less than eighteen years of age, who, at the time this act takes effect, shall have been employed or engaged two years or more in the drug stores where the prescriptions of medical practitioners are compounded, and have furnished satisfactory evidence to that effect to the State board of pharmacy, shall, upon making application for registration and upon the payment to the secretary of said board a fee of one dollar within sixty days after this act takes effect, be entitled to a certificate as a registered assistant, which said certificate shall entitle him to continue in such duties as a clerk or assistant, but shall not entitle him to assume the duties of a registered pharmacist, unless he shall subsequently become registered as a registered pharmacist, as provided in this act.

SEC. 8. Every person resident in the State of Oregon, claiming the right of registration under this act, who shall, within three months after the passage of this act, forward to the board of pharmacy satisfactory proof, supported by his affidavit, that he was engaged in the business of a dispensing pharmacist in the State of Oregon at the time of the passage of this act, or is otherwise entitled to registration as provided in this act, shall, upon payment of a fee of two dollars, be granted a certificate of registration: *Provided, however,* That in case of failure or neglect on the part of any such person or persons to apply for the registration within three months after the passage of this act, and after they shall have been duly notified by said board of pharmacy of the State of Oregon, they shall undergo an examination as provided for in section 4 of this act. Every certificate and every renewal shall be conspicuously exposed in the pharmacy to which it applies.

Nor shall it be lawful for any person to deliver or sell any poisons unless upon due inquiry it

be found the purchaser is aware of its poisonous character and represents that it is to be used for a legitimate purpose. The proprietor of every drug store shall keep in his place of business a registry book in which shall be entered an accurate record of the sales of all such poisons. Any violation of this section shall make the principal of said store liable to a fine of not less than ten dollars and not more than one hundred dollars for each offense: *Provided, however,* That this section shall **not** apply to manufacturers making and selling at wholesale any poisons, but, provided that each box, vessel, or paper in which said poison is contained shall be labeled as above specified.

SEC. 2. Any person shall be entitled to be registered as a registered pharmacist within the meaning of this act who shall be a licentiate in pharmacy or shall furnish evidence to the Territorial board of pharmacy, hereinafter mentioned, that he has had four years' experience in compounding drugs in a store or pharmacy where the prescriptions of medical practitioners are compounded. The said board shall have the right to refuse registration to applicants whose examination or credentials are not satisfactory evidence of their competency. This provision shall also apply to the registration of assistant pharmacists hereinafter mentioned.

SEC. 3. Graduates in pharmacy who have obtained diplomas from such colleges or schools of pharmacy as shall be approved of by the board of pharmacy, and who, previous to obtaining said diplomas, have had three years' practical experience in a drug store where physicians' prescriptions are compounded and dispensed, may, on payment of a fee hereinafter provided, be made registered pharmacists.

SEC. 4. Licentiates in pharmacy shall be such persons as have had four years' practical experience in drug stores wherein prescriptions of medical practitioners are compounded and are not less than eighteen years of age, and have sustained a satisfactory examination before the Territorial board of pharmacy, and shall be granted a certificate accordingly upon the payment of a fee hereinafter named.

SEC. 5. It shall be the duty of said board of pharmacy to grant an assistant's certificate to such persons as have had two years' practical experience in drug stores where prescriptions of medical practitioners are compounded, and have passed a satisfactory examination before said board of pharmacy. The holder of said certificate shall have the right to act as clerk or salesman during the temporary absence of the owner or manager thereof.

SEC. 6. Immediately upon the passage of this act, the governor of the Territory of Utah shall, by and with the consent of the legislative council, appoint five (5) persons from among such competent pharmacists that have had five years' practical experience in the capacity of dispensing pharmacists, selecting not more than two members from any one city, and the said five pharmacists shall constitute the board of pharmacy. The persons so appointed shall hold their offices for five years: *Provided*, That the term of office of the five first appointed shall be so arranged that the term of one shall expire on a given day of each year, and the vacancies so created, as well as all vacancies otherwise occurring, shall be refilled by the governor.

The failure of any registered pharmacist to pay said fee shall not deprive him of his right to renewal upon payment thereof; nor shall his retirement from the profession deprive him of the right to renew his registration, should he at any time thereafter wish to resume the practice, upon the payment of said fee. Registered assistants, upon receiving notice as aforesaid, shall, if they desire to renew their registration, pay to the secretary of said board a biennial fee of one dollar. It shall be the duty of the said board to grant an assistant's certificate to such persons as have had two years' practical experience in drug stores where prescriptions of medical practitioners are compounded and have passed a satisfactory examination before said board of pharmacy. The holder of such assistant's certificate shall, however, be deemed competent to sell, vend, and compound on his own account such medicines as are required by the general public in towns or villages having less than five hundred inhabitants.

SEC. 5. Immediately upon the passage of this act the Wisconsin pharmaceutical association shall elect ten reputable and practicing pharmacists doing business in the State, from which number the governor of the State shall appoint five. The said

five pharmacists, duly elected and appointed, shall constitute the board of pharmacy of the State of Wisconsin, and shall hold office, as respectively designated in their appointments, for the term of one, two, three, four, and five years, respectively, as hereinafter provided, and until their successors have been duly appointed and qualified. The Wisconsin pharmaceutical society shall annually thereafter elect three pharmacists, from which number the governor of the State shall appoint one to fill the vacancy annually occurring in said board. The term of office shall be five years. In case of resignation or removal from the State of any member of said board, or of a vacancy occurring from any cause, the governor shall fill the vacancy by appointing a pharmacist from the names last submitted, to serve as a member of the board for the remainder of the term.

SEC. 6. The said board shall, within thirty days of its appointment, meet and organize by the selection of a president and secretary from the number of its own members, who shall be elected for the term of one year, and shall perform the duties prescribed by the board. It shall be the duty of the board to examine all applications for registration submitted in proper form; to grant certificates of registration to such persons as may be entitled to the same under the provisions of this act; to cause the prosecution of all persons violating its provisions; to report annually to the governor and to the Wisconsin pharmaceutical society upon the condition of pharmacy in the State, which said report shall also furnish a record of the proceedings of said board for the year, as well as the names of all pharmacists duly registered under this act. The board shall hold meetings for the examination of applicants for registration and the transaction of such other business as shall pertain to its duties at least once in three months; and the State board shall give thirty days' public notice of the time and place of such meeting. The said board shall also have power to make by-laws for the proper execution of its duties under this act, and shall keep a book of registration, in which shall be entered the names and places of business of all persons registered under this act, which registration book shall also contain such facts as said persons shall claim to justify their registration. Three members of said board shall constitute a quorum.

SEC. 7. Every person claiming the right of registration under this act who shall, within three months after the passage of this act, forward to the board of pharmacy satisfactory proof, supported by his affidavit, that he was engaged in the business of dispensing pharmacist on his own account in the State of Wisconsin at the time of the passage of this act, as provided in section 2, shall, upon the payment of the fee hereinafter mentioned, be granted a certificate of registration: *Provided*, That in case of failure or neglect to register as herein specified then such person shall, in order to be registered, comply with the requirements provided for registration as graduates in pharmacy or licentiates in pharmacy within the meaning of this act.

SEC. 8. Any person engaged in the position of assistant or clerk in a pharmacy at the time this act takes effect, no less than eighteen years of age, who shall have had at least two years' practical experience in drug stores where the prescriptions of medical practitioners are compounded and who shall furnish satisfactory evidence to that effect to the State board of pharmacy, shall, upon making application for registration and upon payment to the secretary of said board of a fee of one dollar, within sixty days after this act takes effect, be entitled to a certificate as "registered assistant," which certificate shall entitle him to continue in such duties as clerk or assistant; but such certificate shall not entitle him to engage in business on his own account, except as provided in section 4, or to the certificate of registered pharmacist, unless he shall have had at least five years' experience in such stores where the prescriptions of medical practitioners are compounded at the time of the passage of this act. Thereafter he shall pay annually to the said secretary a sum not exceeding fifty cents, during the time he shall continue in such duties, in return for which sum he shall receive a renewal of his certificate.

SEC. 9. Every person claiming registration as a registered pharmacist under section 7 of this act shall, before a certificate is granted, pay to the secretary of said

board of pharmacy the sum of two dollars, and a like sum shall be paid to said secretary by graduates in pharmacy and by such licentiates of other boards who shall apply for registration under this act; and every applicant for registration by examination shall pay to the said secretary the sum of five dollars before such examination be attempted: *Provided*, That in case the applicant fails to sustain a satisfactory examination by the said board his money, the said five dollars, shall be refunded to him.

SEC. 10, as amended by chapter 460, laws of 1887. Every registered pharmacist who desires to continue the practice of his profession shall annually, during the time he shall continue such practice, on such date as the board of pharmacy may determine, pay to the secretary of said board a registration fee, the amount of which shall be fixed by the board, and which in no case shall exceed two dollars in return for which payment he shall receive a renewal of said registration. Every certificate of registration and every renewal of such certificate shall be conspicuously exposed in the pharmacy to which it applies, and if any registered pharmacist or assistant pharmacist shall fail or neglect to conspicuously expose such certificate he shall be fined not less than five dollars and not more than ten dollars and costs for each and every offense.

SEC. 11. The secretary of the board of pharmacy shall receive a salary which shall be determined by said board; he shall also receive his traveling and other expenses incurred in the performance of his official duties. The other members of said board shall receive the sum of five dollars for each day actually engaged in such service and all legitimate and necessary expenses incurred in attending the meetings of said board. Said expenses shall be paid from the fees and penalties received by said board under the provisions of this act; and no part of the salary or other expenses of said board shall be paid out of the public treasury. All moneys received by said board in excess of said allowances and other expenses hereinbefore provided for, shall be held by the secretary of said board as a special fund for meeting the expenses of said board, said secretary giving such bonds as the said board shall from time to time direct. The said board shall, in its annual report to the governor and to the Wisconsin pharmaceutical association, render an account of all moneys received and disbursed by them pursuant to this act.

SEC. 12, as amended by chapter 460, laws of 1887. Any member not being or not having in his employ a registered pharmacist, within the full meaning of this act, except as provided in section 4, who shall, after the expiration of ninety days from the passage of this act, keep a pharmacy store or shop for retailing, compounding, or dispensing medicines, or who shall take, use, or exhibit the title of a registered pharmacist, shall, for each and every offense, be liable to a penalty of fifty dollars. Any registered pharmacist or any person who shall permit the compounding and dispensing of prescriptions or the vending of drugs, medicines, or poisons in his store or place of business, except under the personal supervision of a registered pharmacist, or except by a registered assistant pharmacist, or any pharmacist or "registered assistant," who, while continuing in business, shall fail or neglect to procure his annual registration, or any person who shall willfully make any false representation to procure registration for himself or any other person, or who shall violate any other provision of this act, shall, for each and every such offense, be liable to a penalty of fifty dollars: *Provided*, That nothing in this act shall in any manner interfere with the business of any physician in regular practice, or prevent him from supplying to his patients such articles as may seem to him proper, nor with the making and vending of proprietary medicine or medicines placed in sealed packages, with the name of the contents and of the pharmacist or physician by whom prepared or compounded, nor with the sale of the usual domestic remedies by retail dealers, nor with the exclusively wholesale business of any dealers, except as heretofore provided.

SEC. 13. Every proprietor or conductor of a drug store shall be held responsible for the quality of all drugs, chemicals, and medicines sold or dispensed by him,

except those sold in the original package of the manufacturer, and except those articles or preparations known as patent or proprietary medicines. And should such proprietor or conductor of a drug store knowingly, intentionally, and fraudulently adulterate or cause to be adulterated such drugs, chemicals, or medical preparations he shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be liable to a penalty of not less than seventy-five dollars nor more than one hundred and fifty dollars, and his name stricken from the register.

SEC. 14. No persons shall sell at retail any poisons commonly recognized as such, and especially aconite, arsenic, belladonna, biniodide of mercury, carbolic acid, chloral hydrate, chloroform, conium, corrosive sublimate, creosote, croton oil, cyanide of potassium, digitalis, hydrocyanic acid, laudanum, morphine, nux vomica, oil of bitter almonds, opium, oxalic acid, strychnine, sugar of lead, sulphate of zinc, white precipitate, red precipitate, without affixing to the box, bottle, vessel, or package containing the same, and to the wrapper or cover thereof, a label bearing the name "poison," distinctly shown, together with the name and place of business of the seller. Nor shall he deliver any of the said poisons to any person without satisfying himself that such poison is to be used for legitimate purposes: *Provided*, That nothing herein contained shall apply to the dispensing of physicians' prescriptions specifying any of the poisons aforesaid. Any person failing to comply with the requirements of this section shall be deemed guilty of a misdemeanor, and shall be liable to a fine of not less than five dollars for each and every such omission.

SEC. 15, as amended by chapter 460, laws of 1887. All suits for the recovery of the several penalties prescribed in this act shall be prosecuted in the name of the State of Wisconsin, in any court having jurisdiction; and it shall be the duty of the district attorney of the county wherein such offense is committed to prosecute all persons violating the provisions of this act upon proper complaint being made. All penalties collected under the provisions of this act shall inure to the school fund of the State.

SEC. 16. All acts or portions of acts regulating the practice of pharmacy and the sale of poisons within this State, enacted prior to the passage of this act, are hereby repealed: *Provided*, That nothing in this act shall be so construed as to prevent any person who has once been a registered member, and may have forfeited his membership by nonpayment of dues or fees, from renewing his membership by paying the required dues or fees without examination.

CHAPTER 296, LAWS OF 1885, AS AMENDED, RELATING TO THE SALE OF POISONS BY PHARMACISTS, ETC.

SEC. 2, as amended by chapter 404, laws of 1887. There is hereby enacted a new section, to be known as section 1548a of the revised statutes, which shall read as follows: Section 1548a. The town boards, village boards, and common councils of the respective towns, villages, and cities in the State, upon the written application of any registered pharmacist, may grant to such registered pharmacist as they deem proper a permit to sell strong, spirituous, and ardent liquors in quantities less than one gallon, for medicinal, mechanical, or scientific purposes only, and not to be drunk on the premises. The sum to be paid for such permit shall be ten dollars, and such permit shall be granted and issued in the same manner and terminate at the same time as the license provided for in the preceding section, except that it shall not be necessary for any such registered pharmacist to furnish the bond required by section 1549 of the revised statutes: *Provided*, That in case any town board, village board, or common council shall refuse to grant such permit, any registered pharmacist may sell such strong, spirituous, and ardent liquors, for medicinal purposes only, on the written prescription for each sale of a practicing physician, competent to testify in any court in this State in a professional capacity, as provided by section 1436 of the revised statutes. It shall be the duty of every pharmacist to whom a permit is issued to keep a book, in which he shall enter the date of every sale made by him, of any

such liquors, the name of the person to whom sold, and the kind and quantity of and purpose for which such liquors are sold; and such book shall at all times be open to the inspection of the authorities granting such permit. It shall be the duty of every such pharmacist, on the third Tuesday of April in each year, to file with the clerk of the city, village, or town in which the permit is granted a verified copy of all the entries made by him in such book, as he is required by this section to keep.

SEC. 5. There is hereby enacted a new section, to be known as section 1550a of the revised statutes, which shall read as follows: Section 1550a. Any person who shall, for the purpose of inducing the sale of liquors by any registered pharmacist, holding a permit therefor, for any other use than medicinal, mechanical, or scientific purposes, make any false statement or representation to such pharmacist, or any clerk or employé of such pharmacist, regarding the use for which such liquor is bought, and thereby induce such sale to be made in violation of law, or any registered pharmacist holding a permit under this chapter, who shall neglect or refuse to comply with any of the requirements of this chapter, shall be guilty of a misdemeanor, and on conviction thereof shall be punished therefor by a fine of not less than ten dollars or more than forty dollars, besides the costs of suit; and in case of a second or any subsequent conviction of the same person, the punishment shall be by a fine of not less than forty dollars or more than one hundred dollars, besides the costs of suit, or by imprisonment, in the county jail of the proper county, not less than thirty days or more than three months; and in case of punishment by fine, such person shall, unless the fine and costs be paid forthwith, be committed to the county jail of the proper county until such fine and costs are paid, or until discharged by due course of law.

WYOMING.

AN ACT to regulate the practice of pharmacy in the Territory of Wyoming, and for other purposes.

Be it enacted by the Council and House of Representatives of the Territory of Wyoming:

SECTION 1. It shall not be lawful for any person, other than a registered pharmacist, to retail, compound, or dispense drugs, medicines, or poisons, or to open or conduct any pharmacy or store for retailing, compounding, or dispensing drugs, medicines, or poisons unless such person shall be, or shall employ and place in charge of said pharmacy or store, a registered pharmacist within the meaning of this act, except as hereinafter provided.

SEC. 2. Any person, in order to be registered within the meaning of this act, must be a graduate in pharmacy, or a licentiate in pharmacy, or shall be engaged at the time this act takes effect, and shall have been engaged for a period of four years prior thereto, in the business of a dispensing pharmacist on his own account in this

Territory in the preparation of physicians' prescriptions, and in the vending and compounding of drugs, medicines, and poisons.

SEC. 3. Licentiates in pharmacy must be such persons as have had two consecutive years of practical experience in drug stores wherein the prescriptions of medical practitioners are compounded, and have passed a satisfactory examination before commissioners of pharmacy hereinafter mentioned. The commissioners of pharmacy may grant certificates of registration, without further examination, to graduates in pharmacy who have obtained a diploma from such colleges or schools of pharmacy as shall be approved by said commission, and may also grant certificates of registration, without further examination, to the licentiates of such other State or Territorial boards of pharmacy as they may deem proper.

SEC. 4. The governor shall nominate, and by and with the advice and consent of the legislative council, shall appoint three persons from among such competent pharmacists in the Territory as have had five years' practical experience in the dispensing of physicians prescriptions, who shall constitute the commissioners of pharmacy herein named. The persons so appointed shall hold their offices for the term of six years, and until their successors are appointed and qualified: *Provided*, That the term of office of the three commissioners first appointed shall be so arranged that the term of one shall expire on the thirty-first day of March in each second year hereafter, and the vacancies so occurring shall be filled by appointment by the governor, made with the advice and consent of the council. All vacancies occurring during the recess of the legislative council shall be filled in the manner provided by law. The said commissioners shall be appointed from different counties, so as to represent the several portions of the Territory as nearly as practicable.

SEC. 5. The said commission shall, within thirty days after its appointment, meet and organize by the election of a president and secretary from its own numbers, who shall be elected for the term of one year and shall perform the duties prescribed by the commission. It shall be the duty of the commission to examine all applications for registration submitted in proper form; to grant certificates of registration to such persons as may be entitled to the same under the provisions of this act; to cause the prosecution of all persons violating its provisions; to report annually to the governor upon the condition of pharmacy in the Territory, which said report shall also furnish a record of the proceedings of the said commission for the year, and also the names of all pharmacists duly registered under this act. The commission shall hold meetings for the examination of applicants for registration, and the transaction of such other business as shall pertain to its duties, at least once in four months. Said commission shall have power to make by-laws for the proper fulfillment of its duties under this act, and shall keep a book of registration, in which shall be kept the names and places of business of all persons registered under this act, together with the date of registration, which book shall also specify such facts as said persons shall claim to justify their registration. Two members of said commission shall constitute a quorum.

SEC. 6. Every person claiming the right of registration under this act who shall within three months after this act shall take effect, forward to the commissioners of pharmacy satisfactory proof, supported by his affidavit, that he was engaged in the business of a dispensing pharmacist on his own account in this Territory at the time this act takes effect, as provided in section two, shall, upon the payment of the fee hereinafter mentioned, be granted a certificate of registration: *Provided*, That in case of failure or neglect to register, as herein provided, then such person shall, in order to be registered, comply with the requirements provided for registration as a graduate in pharmacy or a licentiate in pharmacy within the meaning of this act.

SEC. 7. Any assistant or clerk in pharmacy who shall not have the qualification of a registered pharmacist within the meaning of this act, not less than eighteen years of age, who at the time this act takes effect shall have been employed or engaged two years or more in drug stores where the prescriptions of medical prac-

tioners are compounded, and shall furnish satisfactory evidence to that effect to the commissioners of pharmacy, shall, upon making application for registration, and upon the payment to the secretary of said commission of a fee of two dollars, within sixty days after this act takes effect, be entitled to a certificate as a "registered assistant," which said certificate shall entitle him to continue in such duties as clerk or assistant; but such certificate shall not entitle him to engage in business on his own account unless he shall have at least five years' experience in pharmacy at the time of the passage of this act. Annually thereafter, during the time he shall continue in such duties, he shall pay to the secretary a sum not exceeding one dollar and a half, for which he shall receive a renewal of his certificate.

SEC. 8. Every person applying for registration as a registered pharmacist under section six of this act shall, before a certificate is granted, pay to the secretary of the commission the sum of three dollars, and a like sum shall be paid to said secretary by graduates in pharmacy, and by licentiates of other commissions who shall apply for registration; and every applicant for registration by examination shall pay the sum of ten dollars to said secretary before examination. If the applicant fails to pass a satisfactory examination his money shall be refunded, and he shall not be eligible for reexamination within four months from the date of such previous examination. After the said four months have elapsed the applicant shall be entitled to a reexamination upon the payment of a fee of ten dollars, as aforesaid, but such fee shall not be refunded if the applicant fails to pass a satisfactory examination. Upon failing to satisfactorily pass the second examination the applicant may be reexamined at any regular meeting of the commission upon the payment of a fee of three dollars.

SEC. 9. Every registered pharmacist who desires to continue the practice of his profession shall annually thereafter, during the time he shall continue in such practice, on such date as the commission of pharmacy may determine, pay to the secretary of the said commission a registered fee, to be fixed by the commission, but which shall in no case exceed two dollars, for which he shall receive a renewal of said registration. Every certificate of registration granted under this act shall be conspicuously exposed in the pharmacy to which it applies. Any registered pharmacist who shall sever his connection with the drug business for a period of three successive years shall not be entitled to renew his registration except upon passing a satisfactory examination, as provided for in this act.

SEC. 10. The secretary of the commission shall receive a salary, which shall be fixed by the commission; he shall also receive his traveling and other expenses incurred in the performance of his official duties. The other members of the commission shall receive the sum of five dollars for each day actually engaged in this service and all legitimate and necessary expenses incurred in attending the meetings of said board. Said expenses shall be paid from the fees and penalties received by the commission under the provisions of this act, and no part of the salary or other expenses of the commission shall be paid out of the Territorial treasury. All moneys received in excess of said per diem allowance and other expenses above provided for shall be held by the secretary as a special fund for meeting the expenses of said commission, he giving such bonds as the commission shall from time to time direct. The commission shall, in its annual report to the governor, render an account of all moneys received and disbursed by them pursuant to this act.

SEC. 11. Any person not being or having in his employ a registered pharmacist within the meaning of this act, who shall, three months after this act takes effect, keep a pharmacy or store for retailing or compounding medicines, or who shall take, use, or exhibit the title of a registered pharmacist, shall, for each and every such offense, be liable to a penalty of fifty dollars. Any registered pharmacist who shall permit the compounding and dispensing of prescriptions or the vending of drugs, medicines, or poisons in his store or place of business, except under the supervision of a registered pharmacist, or except by a "registered assistant" pharmacist, or any pharmacist or "registered assistant" who, while continuing in business, shall fail

or neglect to procure his annual registration, or any person who shall willfully make any false representation to procure registration for himself or any other person, shall, for every offense, be liable to a penalty of fifty dollars: *Provided*, That nothing in this act shall apply to nor in any way interfere with the business of any physician or prevent him from supplying to his patients such articles as may seem to him proper, nor with the making or vending of patent or proprietary medicines, or medicines placed in sealed packages, with the name of the contents and of the pharmacist or physician by whom prepared or compounded, nor with the sale of the usual domestic remedies by retail dealers, nor with the exclusively wholesale business of any dealers, as hereinafter provided: *And provided, further*, That no part of this section shall be so construed as to give the right to any physician to furnish any intoxicating liquors as a beverage, on prescription or otherwise.

SEC. 12. No person shall add to or remove from any drug, medicine, chemical, or pharmaceutical preparation any ingredient or material for the purpose of adulteration or substitution, or which shall deteriorate the quality, commercial or medicinal effect, or which shall alter the nature or composition of such drug, medicine, chemical, or pharmaceutical preparation so that it will not correspond to the recognized test of identity or purity. Any person who shall thus willfully adulterate or alter, or cause to be adulterated or altered, or shall sell or offer for sale any such adulterated or altered drug, medicine, chemical, or pharmaceutical preparation, or any person who shall substitute, or cause to be substituted, one material for another with the intention to defraud or deceive the purchaser, shall be guilty of a misdemeanor and be liable to prosecution under this act. If convicted he shall be liable to all the costs of the action and all expenses incurred by the commissioners of pharmacy in connection therewith, and for the first offense be liable to a fine of not less than fifty dollars nor more than one hundred dollars, and for each subsequent offense a fine of not less than seventy-five nor more than one hundred and fifty dollars.

On complaint being entered the commissioners of pharmacy are hereby empowered to employ an analyst or chemical expert, whose duty it shall be to examine into the so-called adulteration, substitution, or alteration and report upon the result of his investigation; and if said report justify such action the commission shall duly cause the prosecution of the offender, as provided in this law.

SEC. 13. No person shall sell at retail any poisons commonly recognized as such, and especially aconite, arsenic, belladonna, biniodide of mercury, carbolic acid, chloral hydrate, chloroform, conium, corrosive sublimate, creosote, croton oil, cyanide of potassium, digitalis, hydrocyanic acid, laudanum, morphine, nux vomica, oil of bitter almonds, opium, oxalic acid, strychnine, sugar of lead, sulphate of zinc, white precipitate, red precipitate, without affixing to the box, bottle, vessel, or package containing the same, and the wrapper or cover thereof, a label bearing the name of the article and the word "poison" distinctly shown, with the name and place of business of the seller; who shall not deliver any of said poisons to any person under the age of fifteen years, nor shall he deliver any of said poisons to any person without satisfying himself that such poison is to be used for a legitimate purpose: *Provided*, That nothing herein contained shall apply to the dispensing of physicians' prescriptions of any of the poisons or articles aforesaid. It shall be the duty of the person vending any of the poisons aforesaid, before delivering the same to the purchaser, to cause an entry to be made in a book kept for that purpose, stating the date of sale, the name and address of the purchaser, the name and quantity of the poison sold, and the name of the dispenser; and such book shall always be open for inspection by the proper authorities and shall be preserved for reference for at least two years. Any person failing to comply with the requirements of this section shall be liable to a penalty of ten dollars for each and every offense.

SEC. 14. All suits for the recovery of the several penalties prescribed in this act shall be prosecuted in the name of the Territory of Wyoming, in any court having

jurisdiction, and it shall be the duty of the prosecuting attorney of the county where such offense is committed to prosecute all persons violating the provisions of this act upon proper complaint being made. All penalties collected under the provisions of this act shall inure to the commissioners of pharmacy.

SEC. 15. All registered pharmacists under this act, while actively engaged in conducting any pharmacy or store for retailing drugs, medicines, or poisons, shall be exempt from serving on any jury.

SEC. 16. Chapter two of title thirty-four of the revised statutes of Wyoming is hereby repealed.

SEC. 17. This act shall take effect and be in force from and after its passage.
